

Algoma ENVIROTHON

A shared experience

Algoma Envirothon engages students, teachers and resource people in interactive outdoor learning. Thanks to all who participated in our May event, for making Envirothon the special experience it has become over 30 years, and counting!

Event partners:

Algoma District School Board
Algoma Highlands Conservancy
Algoma University
Canadian Institute of Forestry
Clean North
Invasive Species Centre
Lake Huron North
Natural Resources Canada
Ontario Ministry of Natural Resources
Sault Climate Hub
Sault College
Sault Ste. Marie Region C.A
Stokely Creek Lodge
The Kensington Conservancy

Guy Smith, Chair, guy@guysmith.ca

Annual Algoma Envirothon overnight experience at Stokely Creek May 2-3, 2025. Forty-five students, eight teachers, twenty-one volunteers. Congratulations all! We're proud to send our team from Elliot Lake Secondary School to represent us at provincials, set for May 25-28 at University of Waterloo.

Coming soon ...

Fall Activity Day and 30th Anniversary Celebration Friday October 3, 2025

Resource people, teachers, students, mark your calendars! Be part of the learning day and 30th commemoration.

The day will feature forests and soils learning stations at the Anniversary Plantation, Landslide Rd. followed by a celebration hosted by Canadian Institute of Forestry Northeastern Ontario Section in partnership with Sault Ste. Marie Region Conservation Authority.

All Activity Day participants and representatives of 14+ partner organizations are invited to participate. Stay up to date with plans on the Algoma Envirothon 30th webpage - visit [here](#).
