

Fractional Real Estate Investment

Simplified

Villa

4 Bedroom / Fully Furnished

\$88K

Fractional Investment

UP TO 20%

Estimated Combined Annual Earnings*

Invest. Earn.
in Paradise

You can invest as little as \$88,000 US and receive 8% annual fixed returns starting day 1 and through the construction process and 15%+ annual return from short term rental income thereafter. That's more than \$10,000 US per year in net income!

COSTA RICA

nikori.app/fractional-ownership

A secure and profitable way to invest and diversify your Real Estate investment portfolio

The laptop screen displays a website for 'Fractional Investment Simplified'. The main heading is 'Fractional Investment Simplified' in white and teal text. Below it, a 'Villa' is advertised for '\$88k Fractional Investment'. The villa is described as a '4 Bedroom / Fully Furnished' property. A prominent '20%' is shown, labeled as 'Estimated Combined Annual Earnings*'. A call to action button says 'Book your one-on-one appointment'. A 'Contact' button is also visible. The website footer includes links for 'Overview', 'Location', 'Villa Tour', 'Steps', 'Testimonials', 'Webinar', 'FAQ', and 'Contact'. The background of the website is a photograph of a modern villa with a swimming pool and outdoor seating.

It's not just the toucans that are getting excited; investors and travel enthusiasts worldwide are tuning in to the unparalleled opportunities and experiences in Costa Rica.

Fractional ownership at Nikori Riverland provides investors a 'Win-Win' opportunity. It allows savvy investors to access the highest yielding investment property for less with remarkable double digit returns starting day one. Nikori Lifestyles, Inc. ("Nikori"), operates the nikorilifestyles.com website (the "Site") and is not a broker-dealer or investment advisor. You should speak with your financial advisor, accountant and/or attorney when evaluating any offering. Neither Nikori, does not make any recommendations or provides advice about investments, and no communication, through this website or in any other medium, should be construed as a recommendation for any security offered on or off this investment platform. The Site may make forward-looking statements. You should not rely on these statements but should carefully evaluate the offering materials in assessing any investment opportunity, including the complete set of risk factors that are provided as part of the offering circular for your consideration. Past performance is no guarantee of future results. Investments such as those on the Nikori platform are speculative and involve substantial risks to consider before investing, outlined in the respective offering materials and including, but not limited to, illiquidity, lack of diversification and complete loss of capital. Key risks include, but are not limited to, limited operating history, limited diversification, risk of asset damage or theft and lack of voting rights. Also, the adverse economic effects of the COVID-19 pandemic remain unknown and could materially impact this investment. An investment in an offering constitutes only an investment in a particular series and not in Nikori LLC or the underlying asset(s). Investors should carefully review the risks located in the respective offering materials for a more comprehensive discussion of risk. From time to time, Nikori may seek to qualify additional membership interests. For any offering of investment interests in excess of those that have already been qualified, no money or other consideration is being solicited and, if sent in response, will not be accepted. No offer to buy securities can be accepted, and no part of the purchase price can be received, until an offering statement filed with the Securities and Exchange Commission (the "SEC") relating to those membership interests has been qualified by the SEC. Any such offer may be withdrawn or revoked, without obligation or commitment of any kind, at any time before notice of acceptance given after the date of qualification by the SEC. An indication of interest involves no obligation or commitment of any kind. Investment overviews contained herein contain summaries of the purpose and the principal business terms of the investment opportunities. Such summaries are intended for informational purposes only and do not purport to be complete, and each is qualified in its entirety by reference to the more-detailed discussions contained in the respective offering circular filed with the SEC. Nikori, LLC does not offer refunds after an investment has been made. Please review the relevant offering materials and subscription documentation for more information. Even if an active market does develop, the market price could decline below the amount you paid for your interests. There is no assurance that the Nikori platform will provide an active market for resales. Further, without the Nikori platform, it may be difficult or impossible for you to dispose of your interests. If the market develops for any series of Nikori LLC interests, the market price of such interests could fluctuate significantly for many reasons, including reasons unrelated to performance, the underlying assets or any series, such as reports by industry analysts, investor perceptions or announcements by competitors regarding their own performance, as well as general economic and industry conditions.
