Secret Code

Sometimes you might want to conceal what you're saying to someone. Would you like to know what message Jesus entrusted to Peter? Then decipher the code. This is all you need to know: **K = 6**.

Combining & Analyzing

Secret Code

Solution:

You can decipher the secret message by opening question 94 in YOUCAT for Kids. Here you can see how the secret code works in order to solve the mystery.
The 26 letters of the alphabet have been assigned as shown below:

A	B	C	D	E	F	G	H	I	J	K	L	M
22	23	24	25	26	1	2	3	4	5	6	7	8
N	O	P	Q	R	S	T	U	V	W	X	Y	Z
9	10	11	12	13	14	15	16	17	18	19	20	21

If you want, you can also make up your own secret message, which you can encrypt with the secret code and then give to your parents/friends for guessing.
