POST THE ENCLOSED SIGN IMMEDIATELY

By law, you must post the enclosed sign in a prominent place where all customers can see it. The sign includes your license information and information about how customers can file a complaint.

Important

Before posting the sign, record the DCA PIN that appears on the back. You will need the PIN to link your online account to your license records in order to renew or make changes via nyc.gov/BusinessToolbox.

New York City businesses must comply with all relevant federal, state, and City laws and rules. All laws and rules of the City of New York, including the New York City Consumer Protection Law and Rules, are accessible on the DCA website nyc.gov/dca. For convenience, sections of New York State Law and/or New York City Law and Rules relevant to your industry are also accessible in one of the following ways:

- Go to DCA's Business Toolbox at nyc.gov/BusinessToolbox.
- Go to the DCA Licensing Center or NYC Small Business Support Center (addresses above)
- Call 311 and ask for the license application packet for your industry. The packet includes the laws governing your industry.

You can also go to NYC Rules at nyc.gov/NYCRules for a basic overview of the City's rulemaking process, notices of proposed rule changes, and more.

Questions? Call 311 and ask to be transferred to DCWP with a question about your existing license.
