IMPORTANT INFORMATION

FORWARD LOOKING STATEMENTS
This presentation contains statements that may constitute forward-looking statements relating to the business, financial performance and results of Universal Music Group N.V. (the “Company”) and the industry in which the Company operates. These statements may be identified by words such as "expectation", "belief", "estimate", "plan", "target", or "forecast" and similar expressions or the negative thereof; or by forward-looking nature of discussions of strategy, plans or intentions; or by their context. No representation is made that any of these statements or forecasts will come to pass or that any forecast results will be achieved. All statements regarding the future are subject to inherent risks and uncertainties and various factors could cause actual future results, performance or events to differ materially from those described or implied in these statements. Such forward-looking statements are based on numerous assumptions regarding the Company’s present and future business strategies and the environment in which the Company will operate in the future. Further, certain forward-looking statements are based upon assumptions of future events which may not prove to be accurate and none of the Company, the Company's shareholders or any adviser acting on behalf of the Company or any such shareholders, or their respective subsidiary undertakings, affiliates, agents or advisers or any of such persons’ directors, officers, employees, members or agents nor any other person accepts any responsibility for the accuracy of the opinions expressed in this presentation or the underlying assumptions. Past performance is not an indication of future results and past performance should not be taken as a representation that trends or activities underlying past performance will continue in the future. The forward-looking statements in this presentation speak only as at the date of this presentation. Subject to any continuing obligations under applicable law or any relevant stock market listing rules, the Company, the Company's shareholders or any adviser acting on behalf of the Company or such shareholders, and their respective subsidiary undertakings, affiliates, agents and advisers and any of such persons’ directors, officers, employees, members or agents expressly disclaim any obligation or undertaking to release any updates or revisions to these forward-looking statements to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any statement is based after the date of this presentation or to update or to keep current any other information contained in this presentation. You are therefore cautioned not to place any undue reliance on such forward-looking statements.

PRESENTATION
The financial information included in this presentation is unaudited. The 2022 financial information included in this presentation contains only part of the 2022 financial statements which still have to be adopted by the shareholders at the upcoming annual general meeting of shareholders and will be included in the 2022 annual report. The 2022 annual report has not yet been published and an auditors’ opinion has not yet been issued.

NON-IFRS MEASURES
This presentation includes certain alternative performance measures which are not defined in IFRS issued by the International Accounting Standards Board as endorsed by the EU. For further information on non-IFRS measures used by the Company, see the relevant definitions included in the press release of the same date of this Presentation and the reconciliations of such non-IFRS measures included in the Appendix to such press release.

MARKET AND INDUSTRY DATA
The Company obtained market data used in this presentation from internal surveys, reports and studies, where appropriate, as well as market research, publicly available information and industry publications.

4Q22 CONSOLIDATED RESULTS

Note: € in Millions; Revenue and Adjusted EBITDA growth in constant currency
Following the successful listing of UMG, the Board and Shareholders agreed to finalize an equity plan that would:

- Reduce cash compensation costs
- Align and incentivize executives and management towards long-term value creation
- Enhance retention and recruitment of key executives

Approval at May 12, 2022 AGM to issue up to 5% of share capital over 5 years for creation of an equity plan

Run rate of ~€100M in cash savings and ~€200M in non-cash share-based compensation

One-time transition grants and front-loaded accounting recognition result in higher non-cash share-based comp in 2023
