3. CHANGES TO THESE TERMS

3.1 General changes. We may change these terms by giving you one (1) month's prior written notice. You are deemed to have accepted the proposed changes if you do not terminate these terms by giving us written notice during the notice period.

3.2 Urgent changes. We may also make some changes immediately, without prior notice, if they:

(a) are required by Applicable Law; or

(b) relate to the addition of a new service or extra functionality to our Services and do not affect any terms relating to the existing Services.

3.3 If you do not agree to changes. You should stop using our Services if you do not agree to any changes. If you keep using our Services after we have announced such a change, you are deemed to have accepted the change.

3.4 Modifications. We may modify the configuration, appearance or functionality of the Airwallex Platform at any time to facilitate the continued and proper operation of the Airwallex Platform or to comply with Applicable Law. To the extent reasonably practicable, Airwallex will provide you with advance notice if the modification would materially affect your ability to use the Airwallex Platform.

3.5 Updates. We may issue updates for the Airwallex Platform, including the Airwallex APIs, from time to time. Some updates may require you to take steps to implement them. In some cases (for example, if there are security risks), you will not be able to use the Airwallex Platform until you have implemented the update. If you have not implemented an update within 6

months of us releasing it, we may stop providing some of the Services to you or terminate these terms, by giving you two months' prior written notice.

4. IDENTITY CHECKS & INFORMATION REQUESTS

4.1 Identity checks. In accordance with Applicable Law, before and from time to time, during our provision of Services to you, we will carry out customer due diligence checks on you, your directors, partners, ultimate beneficial owners, and employees (as relevant), together with any parties involved in your transactions. You must provide us with complete, accurate, and up to date information at all times, including providing personal information about your directors, partners, ultimate beneficial owners, and employees (as relevant). You agree that you will keep all such information up-to-date.

4.2 Information requests. You will promptly provide any additional information we require at any time, at the latest within 2 Business Days of a request from us. For example, we may request information to confirm the authenticity of certain transactions, such as supporting invoices. You acknowledge that we may not provide you with any of our Services until we have received all the information we require. We will not be responsible for any loss you may suffer or incur arising out of your failure to do so.

4.3 Third party verification. You agree that we may make, directly or using a third party, any inquiries we believe are necessary to verify information you provide to us, including checking commercial databases or credit reports. We may keep records of such customer due diligence checks in accordance with Applicable Law.

4.4 Credit assessments. You agree that our provision of, and your ability to use, the Services is subject to:

- (a) successful completion of the initial, and any subsequent, credit evaluations; and
- (b) there being no material changes to your credit status during the term of these terms.

4.5 Acting on own account. You confirm you are acting on your own account, not on behalf of any other person or legal entity. If you are entering into these terms as trustee of a trust, you must disclose that to us. We will deem any use of the Airwallex Profile and associated accounts, including any transfers into and out of those accounts, to have been carried out by you.

5. ABOUT OUR SERVICES

5.1 Airwallex Profile and Platform. Once you have successfully registered with us, an Airwallex Profile will be created for you. You can only have one Airwallex Profile, unless we agree otherwise in writing. If we discover that you have more than Airwallex Profile, at our discretion, we may merge or close any duplicate profiles, or terminate our Services to you, if we reasonably believe you have opened them in order to bypass any restrictions in the Services. You can use your Airwallex Profile to log into and gain access to the Airwallex Platform. The

Airwallex Platform provides you with an easy to use user interface to access and use our various Services.

5.2 **Services overview.** Our Services provided under these terms include:

(a) Collection Services – where Airwallex receives funds in Supported Currency for you;

(b) Payout Services – where you can send Payouts to payees; and

(c) FX Conversion Services – where you can convert funds from one Supported Currency to another Supported Currency.

Each of these is a separate Service provided by Airwallex.

5.3 **Collection Services.** In connection with the Collection Services, we will provide you with local bank account credentials in Supported Currency which you may provide your payers to send funds to you. The funds collected will be recorded in the Global Account, in each Supported Currency, that we set up for you. You may, at any time, withdraw funds to your own same name account by giving the relevant withdrawal instructions to Airwallex. The funds collected for you must not stay in the Global Account for longer than the maximum period allowed under clause 8.4.

5.4 **Payout Services and FX Conversions.** In connection with the Payout Services and/or FX Conversion Services, Airwallex will set up an Intermediary Account into which you may send funds to pay for your Payouts and/or FX Conversions instructions. Airwallex will, in turn, based on the specific instruction you give us at the time you send the funds to the Intermediary Account, remit those funds in a Supported Currency to your designated payee, and/or convert those funds from source currency to the buy currency.

5.5 **Transaction records.** Your transaction records will be recorded in the Airwallex Profile which will display records of funds collected through the Global Account as part of the Collection Services, and funds paid into the Intermediary Account as part of the Payout Services and your FX Conversions.

5.6 **Deposit protection scheme.** The Deposit Protection Scheme provided by the Canada Deposit Insurance Corporation ('DPS') does not apply to the funds sent, exchanged or received in connection with the Services. You acknowledge and agree that we are not a bank and do not provide you with a bank account, and so our Services are not covered by the DPS. You further agree that the Global Account is a 'virtual account' and is not a bank account, that the funds transferred to us are beneficially ours and will not be held on trust for you, and that you will not earn interest or be entitled to any interest on any funds.

5.7 **Keeping your funds safe.** To keep your funds safe, Airwallex has implemented commercially reasonable administrative and technical measures to protect and safeguard the funds collected for or received from you in connection with the Services.

5.8 **Restrictions.** We may place interim or permanent restrictions on the use of all or any part of the Services depending on certain regulatory requirements, your country of residence, identity verification checks or business requirements, all of which are set out in the Acceptable Use Policy or any Additional Terms. These will be communicated to you at the time the restriction is put in place or, if that is not practical due to urgent or unforeseen circumstances, promptly after the restriction is put in place.

5.9 **Your relationship with us.** We act as a service provider to you under these terms. Airwallex does not act as a trustee, an escrow agent or stakeholder for you or your payer/payee. Airwallex assumes no liability to or in respect of any products, services or any other part of your business.

6. GETTING STARTED

6.1 **Creating your Airwallex Profile.** In order to use our Services, you must provide the necessary information as prompted through the Airwallex Platform to register and create your Airwallex Profile. If required by Airwallex, you must provide your bank account details to be linked to your Airwallex Profile.

6.2 **Creating a Global Account.** Once we have created your Airwallex Profile, you can submit a request to open a Global Account by logging into the Airwallex Platform and providing the necessary information, including any additional information that we may require from time to time. You will also need to agree to any Additional Terms. We will advise you of this requirement, if relevant, when you request to open a Global Account.

6.3 **Setting up Airwallex APIs.** You may access the Airwallex Platform through Airwallex APIs as well as the Webapp. However, in order to use our Services through the Airwallex APIs, you must first be approved by us. If you are approved by us, you will need to comply with our API Documentation and any reasonable directions regarding the integration and use of the Airwallex APIs.

6.4 **Information verification.** We will only create your Airwallex Profile and allow you to use our Services if we are satisfied with the information you have provided, and any subsequent information we have reasonably requested from time to time, and we have been able to verify this information to our satisfaction.

7. AUTHORISED USERS

7.1 **Authorised User.** You may appoint an Authorised User to act on your behalf to enter into and confirm FX Conversions and Payouts under these terms. You must set up each Authorised User with a User Profile and promptly provide us with the following details of any of your proposed Authorised Users: Customer name, name of Authorised User, Customer address and billing address, phone and email address of Authorised User, and any other contact or identification information of the Authorised User that we may reasonably require. You will ensure that your Authorised Users comply with these terms and in respect of your obligations

and liabilities under these terms, references to 'you' shall (where the context requires) be read as including your Authorised Users.

7.2 Instructions. We will receive instructions from your Authorised User(s) through the Airwallex Platform via the Webapp or Airwallex APIs or, under prior arrangements agreed with us, manually via a representative of Airwallex.

7.3 Acknowledgement. You agree that:

(a) your Authorised Users have the authority to provide instructions for the provision of Services to us on your behalf;

(b) we will rely on the authority of the Authorised User, and you will be bound by the actions of your Authorised Users, until you provide us with written notice withdrawing or otherwise varying the authority of an Authorised User;

(c) you are responsible for ensuring that the appropriate person(s) are accorded the necessary authority to act as your Authorised Users;

(d) we may refuse access to your Authorised User(s) if we are concerned about unauthorised or fraudulent access; and

(e) you will promptly report to us any infringements or unauthorised access to the Airwallex Platform, including the Webapp or Airwallex APIs.

8. COLLECTION SERVICES

8.1 Collection of funds through Airwallex. If we have approved a Supported Currency for you, you may receive funds in that Supported Currency through Airwallex in accordance with these terms. Each collection is an individual contract between you and Airwallex.

8.2 Your right to withdraw collected funds. Airwallex will collect and hold the collected funds in one or more underlying bank accounts in its name for the designated purpose of providing the Collection Services. The funds in any underlying bank account will be comingled and pooled together with those of other users of Services offered by Airwallex. You are entitled to be paid the funds collected for you as part of the Collection Services provided to you. Airwallex must pay to you such funds when you request a withdrawal, subject to the terms of these terms.

8.3 Recording receipt of funds. We will update your Global Account only when we receive the funds. We are not responsible for any funds transferred and will not record them as available in the Global Account, until after we have actually received the funds. The transfer of funds from your payers to Airwallex's designated underlying account is a service provided by third parties and is not part of our Services. We have no control over the time it may take for the transfer of such funds to clear and settle.

8.4 Withdrawals from the Global Account. You must promptly instruct us to make a withdrawal with respect to funds received in the Global Account. If you do not give us withdrawal instructions within a reasonable period of time as determined by us and, in any event within a maximum period of no longer than 90 days, we will, at our sole discretion: (a) return the funds to the sender; (b) remit the funds to your linked bank account as notified to us; or (c) remit the funds to you in any other way permitted by Applicable Law.

8.5 Source of funds. Unless we agree otherwise in writing, you must ensure that all funds we receive in connection with the Services come from a legitimate source (for example, proceeds from the sale of goods or services) and otherwise comply with our Acceptable Use Policy. You agree not to transfer (for example, top-up) any of your own funds into the Global Account at any time. If we ask you to, you agree to promptly provide evidence of the funding source.

8.6 Restriction on depositing funds into the Global Account. The Global Account is used to provide you with Collection Services only. You are not permitted to transfer your own funds into the Global Account.

8.7 Acting as limited agent. You represent and warrant to Airwallex that each payment you receive through the Collection Services is solely in payment for your provision of bona fide goods and/or services to your customers (each, a 'Payor'). For Collection Services in the United States, you hereby designate Airwallex, and Airwallex hereby agrees to serve, as your limited agent for the sole purpose of receiving such payments on your behalf from your Payors. You agree that upon Airwallex receiving payment from a Payor: (a) you shall be deemed to have received payment from such Payor, (b) such Payor's obligation to you in connection with such payment shall be satisfied in full, (c) any claim you have for such payment against such Payor shall be extinguished and (d) you are obligated to deliver the applicable goods and/or services to the Payor (if not already delivered), in each case regardless of whether or when Airwallex remits such payment to you. Airwallex will remit to you in accordance with these terms, or apply as an offset to any obligation you may have to Airwallex, any such payments it receives on your behalf. You shall identify to your Payors that Airwallex is acting as your agent for purposes of receiving payment on your behalf. Any receipt provided to the Payor shall be binding on you and shall satisfy all applicable regulatory requirements. This clause 8.7 states the entirety of Airwallex's duties as your agent for receipt of payment under the Collection Services in the United States, and no other duties shall be implied by Airwallex's undertaking to act in that capacity.

9. FX CONVERSION SERVICES

9.1 Your instructions for FX Conversions. You may instruct us to make a FX Conversion by providing the necessary details as prompted in the Airwallex Platform.

9.2 Confirmation for FX Conversions. When we are satisfied your instructions are complete, we will issue you with a Confirmation with respect to the FX Conversion. We may decline your instructions if you do not have sufficient funds by the Settlement Cut-Off, you exceed any applicable limits, you request a FX Conversion which we deem to be a leveraged foreign

exchange transaction, or in accordance with clause 19. Once a Confirmation is issued, it is final and binding and cannot be cancelled (other than in accordance with clause 9.8 below) . You must then settle with us the full amount of the FX Conversion in the relevant source currency in accordance with the terms of these terms.

9.3 FX Exchange Rate. You may access the indicative FX Exchange Rate for a FX Conversion through the Airwallex Platform (“**Rate**”). The Rate will be quoted to you when you instruct us through the Airwallex Platform and the final FX Exchange Rate will be confirmed when we issue a Confirmation. We will ensure, as far as reasonably practicable, that the confirmed FX Exchange Rate reflects the rate quoted to you but you acknowledge that this is not always possible. The final FX Exchange Rate used to effect the FX Conversion may be different as the rate may have changed between the time of your instruction and the time we issue the Confirmation. You agree that changes to exchange rates come into effect immediately without notice.

9.4 Obtaining a rate or quote via API: You may request an Rate or a Quote by providing the necessary details via the Airwallex API.

(a) An Rate will be provided in accordance with clause 9.3 above. The Rate is for information purposes and cannot be used to book or execute a FX Transaction ;

(b) A Quote can be obtained for one or more Validity Periods.

(i) To book a Spot FX Transaction using a Quote, you must submit the Quote ID specified in the relevant Quote when instructing Airwallex, through the Airwallex API, to make a FX Conversion or Payout in accordance with clauses 9 and 10.

(ii) You must not request or use Quotes for speculation or arbitrage. Quotes can only be used for genuine, commercial purposes. If we suspect or reasonably believe that you are requesting and/or using Quotes in breach of this clause 9.4(b)(ii), we may remove your access to this functionality or limit your ability to request and use Quotes at our discretion.

(iii) We may impose limits on your ability to request and use Quotes as we determine appropriate in our sole discretion in order to manage Airwallex’s risk and exposure.

9.5 Settlement requirements for FX Conversion. You must pay sufficient funds into the Intermediary Account in the relevant source currency to cover the full amount of any FX Conversion you wish to make on or before the Settlement Cut-Off. You may fund the FX Conversion by direct bank transfer to us or by other means acceptable to us. Without prejudice to any of our rights under these terms, you specifically acknowledge that if you have not paid sufficient funds into the Intermediary Account to cover the full amount, we may deduct or set-off such amount against funds collected and held for you.

9.6 Execution time for FX Conversions. If you ask us to make a FX Conversion, we will do so as soon as reasonably practicable and, in any event, generally within 24 hours after we accept your instructions.

9.7 Deposit for FX Conversions. You shall pay to us on demand a deposit for an FX Conversion transaction in the amount as we may require from time to time. For the avoidance of doubt, we have the right to require you to pay additional amounts to increase the amount of the deposit at any time prior to the final settlement of such FX Conversion transaction. You shall be obliged to deliver such amounts to the account designated by us within two (2) Business Days of our demand. If you fail to pay any deposit required by us in respect of any FX Conversion transaction, we may cancel the FX Conversion transaction without prior notice to you and apply the deposit to the payment of any amounts due to us.

9.8 Cancelling a FX Transaction. After a FX Transaction Confirmation is issued but before Settlement of the FX Transaction, the Customer may make a Cancellation Request via the Airwallex API or by contacting your Airwallex Account Manager, which will be confirmed in a Cancellation Confirmation issued by Airwallex. Any delta between the FX Exchange Rate quoted in the Confirmation and the FX Exchange Rate applicable to a Reverse Conversion in furtherance of a Cancellation Request (“**Cancellation Delta**”) will be debited from or credited to the Customer’s Global Account, as applicable. The Customer may not withdraw, amend, or cancel a Cancellation Request after Airwallex has issued a Cancellation Confirmation. If the Cancellation Request is made after Settlement Cut-Off, Airwallex may charge a fee for late cancellation.

10. PAYOUT SERVICES

10.1 Your instructions for Payouts. You may instruct us to make a Payout by providing the necessary details as prompted in the Airwallex Platform. If a Payout involves currency conversions between Supported Currencies (e.g. the source currency is different from the payout currency), we will also provide you with our FX Conversion Services as an ancillary service to the Payout Services. Each Payout, including any Payout with FX Conversion, is an individual contract between you and Airwallex.

10.2 Confirmation of Payouts. When we are satisfied your instructions are complete, we will issue you with a Confirmation with respect to the Payout. We may decline your instructions if you do not have sufficient funds by the Settlement Cut-Off, you exceed any applicable limits, or in accordance with clause 19. Once a Confirmation is issued, it is final and binding and the Payout cannot be cancelled by you other than in accordance with clause 10.5 below. You must settle with us the full amount of the Payout in accordance with clause 10.3 below.

10.3 Settlement requirements for Payout Services. You must pay sufficient funds into the Intermediary Account in the relevant source currency to cover the full amount of any Payout you wish to make on or before the Settlement Cut-Off. You may pay us by way of direct bank transfer to us or by other means acceptable to us. Without prejudice to any of our rights under these terms, you specifically acknowledge that if you do not have sufficient funds in your Intermediary Account to cover the full amount, we may deduct or set-off such amount against any funds collected and held for you in your Global Account. If you transfer funds into the Intermediary Account in a currency which is not the Payout currency or if the funds held in your Global Account (which we use for the purposes of set-off) are not in the Payout currency, you

authorise us to, on the date of Payout, convert such currency into the Payout currency at our standard exchange rates which are available upon request.

10.4 Execution time for Payouts. If you ask us to make a Payout, we will make the Payout as soon as reasonably practicable and, in any event, generally within 24 hours after we accept your instructions. The methods of crediting the funds may be provided by third parties (for example, the bank where the payee has their bank account) and are not part of our Services. We do not have any control over the amount of time it may take for a payee's bank or payment provider to credit funds to the payee, but would generally expect this to take less than 5 Business Days, unless a longer period is required by us to comply with Applicable Law.

10.5 Cancelling a Payout. You may request to cancel a Payout before Settlement of the Payout by making a Cancellation Request via the Airwallex API or by contacting your Airwallex Account Manager. If a Cancellation Request is granted, Airwallex will issue a Cancellation Confirmation. Where the Payout has an associated FX Conversion, any Cancellation Delta that arises from reversing the FX Conversion will be debited from or credited to the Customer's Global Account, as applicable. The Customer may not withdraw, amend, or cancel a Cancellation Request after Airwallex has issued a Cancellation Confirmation. If the Cancellation Request is made after Settlement Cut-Off, Airwallex may charge a fee for late cancellation.

11. REVERSALS AND REJECTIONS

11.1 Reversals. We may need to reverse any funds sent or received in connection with the Services, and either deduct funds we have received as part of the Services or return funds we have received as part of the Services, including in the following circumstances:

- (a) the sender, or any relevant payment services provider, reverses a transaction or is likely to reverse a transaction;
- (b) the sender made a transfer to you by mistake;
- (c) you have provided us with incorrect instructions for the transaction;
- (d) we suspect that a transaction is fraudulent, or is in breach of these terms or Applicable Law; or
- (e) we exercise our rights under clause 19.

You must reimburse us as soon as possible, as set out in clause 12.5. If we reverse a transaction, we will, in our sole discretion, do this at the prevailing FX Exchange Rate applicable at the time of the reversal or at the original FX Exchange Rate applicable to the transaction. You may request to configure your account so that any reversed transaction that results in a refund to you is paid in the source currency or the target currency, if supported. If the refund requires a FX Conversion, any associated FX Delta will be credited to or debited from the Customer's Global Account as applicable.

11.2 Rejected Transactions. We may withhold, reject, or delay any funds received, exchanged or sent in the following circumstances:

- (a) no valid exchange rates are available from our correspondent banking partners, liquidity providers, or other financial institutions;
- (b) any relevant anti-money laundering or counter financing of terrorism limits are exceeded;
- (c) you have not complied with your obligations under these terms, the Acceptable Use Policy or under Applicable Law; or
- (d) we exercise our rights under clause 19.

11.3 Failed Transactions. We may, in our sole discretion and without liability to you, cancel any FX Conversion or Payout, or delay any FX Conversion or Payout by rolling it over to the next Conversion Date or Payout Date (as applicable), where we need to do so due to reasons outside of our reasonable control, such as where there are insufficient funds.

11.4 Insufficient funds. Where there are insufficient funds for one or more FX Conversions and/or Payouts at Settlement Cut-Off, Airwallex reserves the right to make the FX Conversion or Payout at its discretion (for example, on a time basis, converting the earliest booked FX Conversion or Payout up to the value of the funds available to Airwallex at the applicable Conversion Date or Payout Date). The remaining booked FX Conversions will be treated as failed transactions, and will incur the relevant break costs and administration fees.

11.5 Transfers using correct details. In each case, you will need to ensure the funds are transferred to us using the correct bank details and any unique transaction reference number details specified by Airwallex. If you do not provide accurate details, then we may not be able to receive the funds and record the amount in the relevant account. In such cases, we will not be liable for any loss you may suffer or incur, although we will use reasonable efforts to investigate and credit or return incorrect and inaccurately referenced payments into or from your account.

11.6 Excess funds. When you pay into the Intermediary Account, you must give us an accurate and complete instruction in relation to a Payout or FX Conversion. If you do not give us an accurate or complete instruction we may, at our sole discretion: (a) return the funds to the sender; (b) remit the funds to your linked bank account as notified to us; or (c) remit the funds to you in any other way, subject to any Applicable Law.

12. SAFETY AND SECURITY

12.1 Keep your Airwallex Profile safe. In order to use the Airwallex Platform, you (or your Authorised User) must log in using the unique password and any multiple-factor authentication: for example, we may require your Authorised User to authenticate that they are the Authorised User when logging in to the Airwallex Platform, or for certain transactions made using the Airwallex Platform. You must store all log-in information and passwords to access the

Airwallex Platform safely and securely at all times and only allow Authorised Users to access the Services.

12.2 Contact us if you suspect your Airwallex Profile may be compromised. You must contact us immediately by email to support@airwallex.com and change your password if you suspect:

- (a) your Airwallex Profile, or access to the Airwallex Platform or other security credentials are stolen, lost, used without your authorisation or otherwise compromised; or
- (b) someone else finds out your log-in information and password for your Airwallex Profile or User Profile.

Any undue delay in notifying us may affect the security of your Airwallex Profile, or access to the Airwallex Platform and may result in you being responsible for any financial losses.

12.3 Check the transactions in your accounts regularly. All of your activity is displayed in the Airwallex Platform. You must contact us immediately by email to support@airwallex.com to report any suspected or actual unauthorised transaction or other security concerns regarding the Airwallex Platform. We may be able to refund money you have lost if the transaction is due to our mistake, fraud, or errors with your transaction (see clause 12.4). If you do not notify us of any unauthorised, or incorrectly initiated or executed transactions immediately, you may lose the right to have the matter corrected or money refunded. You also may not be able to claim a refund if:

- a) you have breached these terms or any Applicable Law;
- (b) you gave us incorrect instructions for the transaction (in which case, we may reasonably assist you to recover the funds, where possible, but we do not guarantee that this would be successful); or
- (c) any losses are not the direct result of our act or omission.

12.4 Unauthorised transactions. We are not liable for unauthorised transactions that are caused outside of the direct control of Airwallex. In particular, but without limitation, we are not liable (and you will be solely liable for all losses):

- (a) if you do not promptly notify us of security issues;
- (b) if we find that you or your Authorised Users, or anyone else acting on your behalf, has acted fraudulently or recklessly (and we will not refund you in any circumstances);
- (c) if you have with intent or gross negligence compromised the security of your Airwallex Profile or the Airwallex Platform or failed to comply with your obligations to use them in accordance with these terms, and to keep all log-in information and passwords confidential and secure;
- (d) if you gave us incorrect instructions for the Payout (we may reasonably assist you to recover the funds, where possible, but we do not guarantee that this would be

successful); and

- (e) in any other circumstance outside of our direct control to the extent permitted by Applicable Law.

12.5 Reimbursements. Where we refund you for an unauthorised transaction but subsequently find that you did not comply with your obligations under this clause 12, you must reimburse us for the value of the unauthorised transaction.

12.6 Acknowledgements. You acknowledge that:

- (a) Airwallex will not be responsible for or otherwise guarantee the performance of any transaction you enter into via the Airwallex Platform;
- (b) you must obtain and use any equipment or telecommunications lines and connections that may be necessary for you to use or connect with the Airwallex Platform;
- (c) certain software and equipment you use may not be capable of supporting certain features of the Airwallex Platform; and
- (d) it is your responsibility to configure and update your information technology, software and equipment in order to access the Services or the Airwallex Platform.

12.7 Your liability. You will be liable for all costs, charges, claims, damages, fees, disbursements, losses, expenses, fines, and liability suffered or incurred by Airwallex arising out of or in connection with: (i) (where applicable) your incorrect instructions, overpayment, payment error, or other invalid payment you cause; (ii) any error, default, negligence, misconduct, or fraud by you, your employees, directors, officers, or representatives, or anyone acting on your behalf; and (iii) any costs, charges, claims, damages, fees, disbursements, losses, expenses, fines and liability suffered or incurred by Airwallex in respect of a failure by you to comply with these terms, including but not limited to, this clause 12.

12.8 Compliance measures. We will not be liable to you for any action we undertake where such action is based on a good faith belief that such actions are reasonably necessary or desirable in order to maintain compliance with Applicable Law.

13. FEES & CHARGES

13.1 Service Fees. You will pay us the Service Fees for the Services, which are set out in the fees table available on www.airwallex.com or as otherwise agreed in writing with us. The Service Fees are charged separately depending on the Service you use, for example:
