What types of information do we collect and why?	When you set up an account to use our Services, we require information (such as your name, address, government-issued ID, tax identifier, business information) to set this up. We also process certain identity information when we undertake our KYC/AML process. We will process information in connection with transactions (including payment information and the beneficiary of payment). Our Service also processes network, device and usage information in order to maintain the integrity of our systems. You can read more about what personal information we process and why below.	Link
How is your information shared?	Our affiliates and select third parties support the operation of the Services and will necessarily transfer personal information in order to facilitate the Services and services provided by third parties at your request and/or with your consent. If a third party is engaged to support the Services, this is solely for the purpose of the Services and we require that the third party comply with appropriate safeguards to protect personal information. Services supported and/or provided by third parties may include support services, effecting transactions, account information services, payment initiation services, cloud services, analytics, market research, fraud detection, Enterprise Partners' services and other functions in connection with the Services. We also have affiliates around the world who help us deliver the Services and we may be required by a court or legal obligation to disclose certain information in some circumstances. You can read more about how we share your personal information below.	Link
Where do we store your information?	Our servers are located in datacenters hosted by Google Cloud Platform and Alibaba Cloud in Australia, Hong Kong, Japan, Mainland China, the Netherlands, Singapore, and the United States. We may access these servers from other locations as necessary to support the operation of the Services. You can read more about where your personal information is stored below.	Link
How long do we retain information for?	We only retain personal information for so long as it is required to fulfil the purpose for which it was collected, unless we are subject to legal or regulatory obligations to retain such information. You can read more about how long we retain specific categories of personal information below.	Link

What rights do I have to processing of my information?	Depending on where you are, you may have certain rights with respect to your personal information, such as rights of access, to receive a copy of your information, or to delete your information or restrict or object to our processing of your information. You can read more about your rights below.	Link
How can I contact Airwallex?	If you have questions or concerns about this Policy or a specific request related to your personal information, please contact us at privacy@airwallex.com	Link
How will we notify you of changes to this Policy?	We reserve the right to make changes to this Policy at any time by posting a revised version to our Site and updating the “Last Updated” date at the top of this Policy.	Link
Are there specific terms that apply to certain countries?	Yes. You can read more about the specific processing activities for certain jurisdictions in the Jurisdiction-Specific Addenda below.	Link

1. SCOPE OF POLICY

This Policy applies to any user of our Services anywhere in the world and any visitor to our website, mobile app, or other channel (collectively, “**Sites**”). 3. THE TYPES OF PERSONAL DATA WE USE

By “**personal information**” we mean information that identifies you, such as your name, address, telephone number, email address, date of birth, payment card information, bank account information and any other data that is associated with your identity. The specific categories of personal information which we process are listed in the section “[How We Use Your Personal Information](#)” below. This section describes the different types of personal information we collect from you and how we process it.

A. INFORMATION YOU PROVIDE DIRECTLY TO US

- **Account registration:** To use our Services, you must provide certain personal information to us, including information required to establish an account profile, identity verification information, financial information and information regarding beneficiaries of payments. This information is necessary for us to perform the contracted services and also to allow us to comply with our legal obligations. If you are not able or willing to provide this information, we may not be able to provide you with all the requested Services.
- **Survey, feedback, and promotions:** Some information you provide to us is voluntarily provided by you and not mandatory. Examples of such information include your opting to respond to our surveys, provide feedback to us about our products and services, participate in promotions or contests or otherwise communicate with us. This information allows us to provide incentives or additional features to you, evaluate our performance and to create a better user experience for you when using the Airwallex platform. This additional information will be processed based on our reasonable discretion or when applicable, your consent.

B. INFORMATION AUTOMATICALLY COLLECTED FROM YOUR USE OF SERVICES

We automatically collect certain data from you when you use the Services or visit any of our Sites where we have a legitimate interest (such as to prevent fraud or misuse, or to understand your use of and improve our Services). This includes:

- usage data;
- information about the devices you use to access the Services;

- log data; and
- geolocation information.

Our [Cookie Policy](#) provides additional information about the technologies we use to automatically collect your personal information mentioned above.

C. INFORMATION COLLECTED FROM THIRD PARTIES

We also obtain information about you from other external sources, including information obtained from our service providers, credit bureaus, community forums used to post ratings or reviews, Airwallex business partners through which you access our Services, or other sources of public records. We may combine information collected from third parties with information we collect from you directly through the Airwallex platform.

Regardless of how the method of collection, the information we obtain from or about you is subject, at all times, to the privacy choices or rights exercised by you.

D. COOKIES

We use cookies and similar technologies (i.e. web beacons, pixels, ad tags and device identifiers) to recognize you and to customize your online experience. To learn more about cookies and the other tracking technologies we may utilize, please refer to our [Cookie Policy](#), which includes a comprehensive overview of cookies and provides further details about how we use cookies and how to control our use of cookies.

4. HOW WE USE YOUR PERSONAL INFORMATION

This section provides more detail on the types of personal information we collect from you, and why. For users who live in the United Kingdom, the European Economic Area or Switzerland (each a “**Relevant Jurisdiction**”), it also identifies the legal basis under which we process your personal information.

5. TRANSFERS AND STORAGE

To support our global operations and pursuant to our contract with you to provide the Services, we and our service providers may store or process your personal information in any country where we or one of our affiliates maintains a physical presence or where we engage third-party service providers. This could result in a transfer of your personal information to a region or country outside of your country of residence, the regions and countries to which your personal information may be transferred to include Australia, Germany, Hong Kong, India, Japan, Lithuania, Mainland China, Malaysia, the Netherlands, New Zealand, the Philippines, Singapore, the United Kingdom, and the United States. Our servers for the Services are located in Australia, Hong Kong, Japan, Mainland China, the Netherlands, Singapore, and the United States.

The laws and privacy regulations of such countries may differ from the country of your residence and potentially may not be as protective. There may be circumstances in which the law enforcement agencies or government authorities in such other countries may be entitled to access your personal information. Any transfer of your personal information outside your country of residence will at all times comply with the standards set forth in this Policy as well as the applicable data protection rules. For example, transfers of personal information outside the EEA or the UK will be made under the European Commission's model contracts for the transfer of personal data to third countries (i.e. the standard contractual clauses), or any equivalent contracts issued by the relevant authority of the UK, as relevant.

○ INFORMATION SHARING AND DISCLOSURE

Only where necessary will we share your personal information with third parties. Situations where this occur are:

Third Party	Purpose
Third party service providers	We engage a variety of service providers to enable us to provide our Services to you. For example, service providers may be used to: facilitate payment processing, support technology or infrastructure, cloud storage, conduct market research, marketing analytics, detect fraud, verify identity and perform audits or other functions. We will share your personal information with such service providers only to the extent necessary to allow the performance of their intended engagement. All service providers and business partners that receive your personal information are contractually bound to protect and use your information only in accordance with this Policy.
Our corporate affiliates	To facilitate or support us and our Enterprise Partners in providing products and services to you, we may share your personal information within our worldwide corporate family of companies among entities that are related by common control or ownership. All related group companies may only use your personal information in accordance with this Policy.
Enterprise Partners	Our Services may be offered to you in conjunction with or facilitated by other financial institutions or other enterprises (an "Enterprise Partner") and their products and services. Such Enterprise Partners may include

	(without limitation) entities which operate online marketplaces or other e-commerce platforms through which you are able to sell your goods, services, content or other products. Such Enterprise Partners may have access to your personal information but only to the extent required to enable use by you of our or their products and services.
Regulatory Authorities: regulators, judicial authorities and law enforcement agencies, and other third parties for safety, security, or compliance with the law.	<p>There are circumstances in which we are legally required to disclose information about you to authorities, such as to comply with a legal obligation or processes, enforce our terms, address issues relating to security or fraud, or protect our users. These disclosures may be made with or without your consent, and with or without notice, in compliance with the terms of valid legal process such as a subpoena, court order, or search warrant. We are usually prohibited from notifying you of any such disclosures by the terms of the legal process. We may seek your consent to disclose information in response to a governmental entity's request when that governmental entity has not provided the required subpoena, court order, or search warrant. We may also disclose your information to:</p> <ul style="list-style-type: none"> • enforce our User Agreement or other applicable agreements or policies, including investigation of any potential violation thereof; • detect, prevent or otherwise address security, fraud or technical issues; • protect our rights, property, privacy, or security, or that of others, as permitted by law; or • comply with applicable law, legal process or governmental orders.
Social Media Platforms	Social media networks such as Facebook, Twitter, Pinterest, and Instagram that offer functionalities, plugins, widgets, or tools in connection with our website or mobile application (e.g., to log into an account, or to share content with your friends and followers on social media). If you choose to use these functionalities, plugins, widgets, or tools, certain information may be shared with or collected by those social media companies—for more information about what information is shared or collected, and how it is used, see the applicable social media company's privacy policy.
Potential Acquirers of our business	If we are the subject or are involved in any corporate merger, acquisition, consolidation, reorganization, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in connection with bankruptcy or similar proceedings), we may share data with third parties during negotiations. In the event your personal information becomes subject to a different privacy policy, we will make reasonable efforts to notify you beforehand. We also may need to disclose information to a third party in connection with a commercial transaction where we or any of our affiliates are seeking financing, investment or funding.

Other Parties	Authorized	If you request (as part of the Services provided to you) or provide your consent, we may share your information including your personal information with a third party not defined in this Policy. Such third parties may include third party financial service providers, including but not limited to account information service providers and payment initiation service providers. Such disclosure will only be carried out in the manner you requested or consented to, and/or the manner described to you (whether by us or the relevant third party) at the time you agreed to the sharing, and in accordance with applicable law. Authorizing a third-party service provider, application, or website to access your Airwallex account or participating in certain promotional activities constitutes such request and consent to share your information.
----------------------	-------------------	--

6. DATA RETENTION

We will retain your personal information only for the period of time required to comply with applicable law or fulfill any ongoing obligations to you.

Please note that there are certain circumstances in which we will retain your personal information even after you close your Airwallex account or request deletion of your personal information. Examples of such cases include:

- To process any transactions booked prior to closure or deactivation of an account.
- To comply with anti-money laundering regulations or other laws and rules that apply to us as a financial services provider.
- To detect or prevent fraud.
- To comply with legal process orders or law enforcement requests.
- To collect any fees or other outstanding amount owed and payable to us by you.
- To resolve any disputes or enforce our User Agreement or other applicable agreements or policies.
- To take any other action or exercise any other right in accordance with applicable law.

When a relevant retention period has passed, Airwallex will destroy personal information or, where applicable, sufficiently anonymize the personal information.

For further details on how long we keep your data, please refer to the time periods set out below.

Personal Information	Retention Policy
Account and Profile Information	Stored for the lifetime of your use of the Services (i.e. until account deletion in

Identity Verification Documents Business Entity Information Background Information Log Data Device Information Usage Information Communications Data Call Recordings Other Information Payment Information Beneficiary Information Location Information	accordance with your request), plus no less than 5 years.

7. YOUR RIGHTS AND CHOICES

You have certain rights relating to your personal information. The ability and extent to which you may exercise these rights will vary depending on your location.

The following rights (described in detail below) apply to users in a Relevant Jurisdiction.

If you are located outside of a Relevant Jurisdiction, please review the section on [Jurisdiction- Specific Rights](#) for more information about the privacy rights afforded to you in your country or state of residence. To exercise any of your rights, please contact us at privacy@airwallex.com.

A. ACCESS, CORRECTION, ERASURE

You may review, correct or update information you provided to us at any time by logging into your Airwallex account. Prior to changing or correcting your information, we may be required to verify your identity. There may be circumstances which preclude us from providing access to some or all of your information, for example where the information contains references to personal information about an individual other than you or the information is subject to legal or proprietary protections. If there is any other personal information you believe we process that you would like to access, correct or erase, please contact us at privacy@airwallex.com.

¹ The time period(s) stated herein are indicative; we generally aim to retain data only for as long as necessary to achieve the relevant intended purpose(s), subject to any retention required to comply with applicable law or fulfill any ongoing obligations to you.

B. PORTABILITY

You may have the right to receive a copy of certain personal information we process about you. This comprises any personal information we process on the basis of your consent (e.g., survey information) or pursuant to our contract with you (e.g., your name). You may have the right to receive this information in a structured, commonly used and machine-readable format. You may also have the right to request that we transfer that personal information to another party, with certain exceptions. We will provide further information to you about this if you make such a request.

C. RESTRICTION OF PROCESSING

You may have a right to require us to stop processing the personal information we hold about you other than for storage purposes in certain circumstances. Please note, however, that if we stop processing the personal information, we may use it again if there are valid grounds under data protection laws for us to do so (for example, for the defence of legal claims or for another's protection). Where we agree to stop processing the personal information, we will try to tell any third party to whom we have disclosed the relevant personal information so that they can stop processing it too.

D. OBJECTION

You may have the right to object to our processing of your personal information. To the extent provided by applicable laws and regulations, you may withdraw any consent you previously provided to us for certain processing activities by contacting us at privacy@airwallex.com. Where consent is required to process your personal information, if you do not consent to the processing or if you withdraw your consent we may not be able to deliver the expected service.

8. DEVICE & MARKETING

Device Permissions

Most mobile devices allow you to disable the use of location services, or revoke consent to applications to access your camera and photo library or send you push notifications information. Please refer to your device settings to restrict collection of certain information.

Notifications

We may from time to time send you notifications when we consider it necessary to do so (for example, when we temporarily suspend access to the Services for maintenance, or security, privacy or administrative-related communications). You may not opt-out of these service-related notifications, which are not promotional in nature.

Marketing Opt-Out

You can opt out of receiving promotional communications from us by following the instructions included in those messages or by logging into your Airwallex account and changing your preferences. Please note that if you opt out of marketing-related emails from us, we will continue to send you non-promotional messages that are required to provide our Services, such as transactional receipts and messages about your account or our relationship with you.

9. ADVERTISING AND ANALYTICS

We may partner with third parties to display advertisements to you on websites you visit. These third-party partners use cookies and other technologies to gather information about your activities on our Sites as well as other sites you visit in order to serve you advertising based upon your browsing history and interests. To learn more about behavioral advertising and online tracking, visit the [Network Advertising Initiative](#). This website also provides information about how to opt out of interest-based online advertising delivered by member companies. You can learn more about Google's practices [here](#). For more information about the cookies that may be served through use of our services, please refer to our [Cookie Policy](#).

10. SECURITY

We implement and update technical and physical security measures to safeguard your personal information against loss, misuse or unauthorized access on an ongoing basis. Safeguards used to protect your information include firewalls, data encryption, and access controls. Please keep in mind that the transmission of information over the Internet is never 100% secure and no data storage system can be guaranteed safe. Although we will do our best to protect your personal information, we cannot warrant the security of data transmitted to our Sites; any transmission is at your own risk. We encourage you to understand the integral role you play in keeping your own personal information secure and confidential. Please select passwords that are sufficiently complex and always keep our log-in details secure. If you suspect any unauthorized use or access to your account or information, please contact us immediately.

11. CHILDREN'S PRIVACY

Our Sites and Services are not intended for or directed at children. By children we mean users under the age of 16 or in the case of a country where the minimum age for processing personal information differs, such different age.

We do not knowingly collect any information from children. If we obtain actual knowledge that we have collected personal information from a child, we will immediately delete it (unless we are legally obligated to retain such information). Please contact us if you believe that we inadvertently collected information from any child.

12. THIRD PARTY LINKS AND SERVICES

Our Sites may include links to third party websites or services, such as third-party integrations, co-branded services, or third-party branded services ("**Third-Party Sites**").
