Ltd. ('**Airwallex**', '**us**' or '**we**') that apply to our Services (which we describe in clauses 5, 8 and 9). Please read this Agreement carefully and contact us if anything is unclear. The Customer and Airwallex will individually be referred to as a **Party**, and collectively, as **Parties**.
- 1.2. You should also download a copy of the Agreement and keep it for future reference or ask us for a copy at any time. You can always see the most current version of the Agreement (as well as the documents below), on our website www.airwallex.com.
- 1.3. Please read the following additional documents which also apply to your use of the Airwallex Platform and Services and should be read together with this Agreement:
 - (a) Acceptable Use Policy;
 - (b) Privacy Policy;
 - (c) API Documentation; and
 - (d) any other terms referenced in this Agreement.

Unless otherwise specified, the above documents do not form part of this Agreement.

- 1.4. If we need to send you information in a form you can keep, we will either send you an email or provide information on our website or via the Airwallex Platform that you can download. Please keep copies of all communications we send to you.

By using our Services you agree to receive electronic communications from us. If we have reasonable concerns either about the security of your Wallet or Global Account, or any suspected or actual fraudulent use of your Wallet or Global Account, we will contact you via telephone, email, or both (unless contacting you would be unlawful or compromise our reasonable security measures).

3. CHANGES TO THIS AGREEMENT

- 3.1. We may change this Agreement (including the Service Fees) by giving you 30 days' prior written notice. We will consider that you have accepted the proposed changes if you do not terminate this Agreement by giving us written notice during the notice period.
- 3.2. We may also make some changes immediately, without prior notice, if they:

- (a) are required by Applicable Law; or
 - (b) relate to the addition of a new service or extra functionality of our Services and do not affect terms relating to the existing Services.
- 3.3. You should stop using our Services if you do not agree to these changes. If you keep using our Services after we have announced such a change, we will treat you as having accepted the change.
- 3.4. **Updates.** We may issue updates for the Airwallex Platform, including the Airwallex APIs, from time to time. We may need to do this to facilitate the continued and proper operation of the Platform, make improvements to the Platform or to comply with Applicable Law. Some updates may require you to take steps to implement them. You agree to implement such updates as soon as reasonably practicable after receipt. In some cases (for example, if there are security risks), you will not be able to use the Airwallex Platform until you have implemented the update. If you have not implemented an update within 6 months of us releasing it, we may stop providing some of the Services to you or terminate this Agreement, by giving you two months' prior written notice.

4. CUSTOMER DUE DILIGENCE AND VERIFICATION

- 4.1. To meet our obligations under Applicable Law, before we provide our Services to you and from time to time during our provision of Services to you, we may carry out customer due diligence checks on you, your directors, partners, ultimate beneficial owners, and employees (as relevant) and Authorised Users together with any parties involved in your transactions. You must provide us with complete, accurate, and up to date information at all times, including any information we require to verify the authenticity of transactions such as supporting invoices. You will promptly provide any additional information we require at any time, at the latest within two (2) Business Days of a request from us. You acknowledge that we may not provide you with any of our Services until we have received all the information we require. We will not be responsible for any loss arising out of your failure or delay in providing us with the information we require.
- 4.2. You agree that we may make, directly or using a third party, any inquiries we believe are necessary to verify information you provide to us, including checking commercial databases or credit reports. We may keep records of such customer due diligence checks in accordance with Applicable Law.
- 4.3. You agree that our provision of, and your ability to use, the Services is subject to:
- (a) successful completion of the initial, and any subsequent, credit evaluations (if applicable); and
 - (b) there being no material changes to your credit status during the term of the Agreement.
- 4.4. If you link your external account to your Wallet, as permitted or otherwise required by Airwallex, you agree that:
- (a) we will need to carry out verification on the Linked Account.
 - (b) we may implement any verification process as we reasonably require from time to time, and use the information obtained through such process to verify the information you have provided to us to our satisfaction.
 - (c) if you fail to complete the verification process or if the verification is unsuccessful, you will not be able to use our Services or features which will require a Linked Account.

5. ABOUT THE SERVICES

- 5.1. **Wallet.** The 'Wallet' enables you to electronically hold, send and receive funds in the form of non-cash payments through the Airwallex Platform. The funds in the Wallet can be in multiple currencies but only in the Supported Currencies that we offer, which may change from time to time. The funds in your Wallet may be used to make Payouts or FX Conversions in accordance with this Agreement. If you fund your FX Conversions via an external source (such as direct debit from your third party bank account), your Wallet will include a temporary clearing wallet where funds received from the external source will be held prior to conversion.
- 5.2. **Global Account.** The Global Account is a currency collection service where Airwallex will provide you with local bank account details in Supported Jurisdictions and Supported Currencies which you

can provide to payers. A Global Account may be subject to Additional Terms for a Supported Jurisdiction. Subject to any Additional Terms, such bank account shall be opened in the name of Airwallex and any funds received into such account are received by Airwallex as your limited agent and you hereby appoint Airwallex as your agent for such purposes.

- 5.3. You may request Airwallex to open more than one Global Account for a particular Supported Currency. When you request that we open a Global Account you will be provided with a unique account number. You acknowledge and agree that such account number is for administrative purposes only and does not represent a separate bank account opened in your name.
- 5.4. You acknowledge and agree that the Global Account may be provided through financial institutions in certain Supported Jurisdictions. Where money from a payer is received, such money may be initially received into an account with such financial institutions. Subject to clause 18.2, Airwallex will also credit your Wallet at such time and then adjust the balance of the Segregated Accounts (see definition and details below in clause 5.6) in accordance with clause 5.6 and clause 5.7.
- 5.5. **How balances are represented.** Your Wallet will show the balance of each Supported Currency that is available to you. The funds collected through a Global Account will be represented in your Wallet as part of the balance in each Supported Currency – there will not be a separate balance shown for funds collected through a Global Account.
- 5.6. **Segregated Accounts.** As required by the Payments Services Act 2019 and as provided in clause 5.4, Airwallex will hold funds reflecting the balance of your Wallet on trust in one or more accounts we hold with a safeguarding institution ('SI'), each a '**Segregated Account**'. A Segregated Account includes funds of other Airwallex users but will be held separately from Airwallex's own funds. Airwallex treats and deals with the funds in the Segregated Account as belonging to the customer and does not use such funds for operational purposes. Airwallex is entitled to keep the interest (if any) earned on these accounts. Please note that (i) in the event that the SI becomes insolvent, you may not be able to get your funds back, and (ii) the SI is not obliged or required to monitor Airwallex's operation of the Segregated Accounts and does not guarantee the balance in your Wallet nor any funds which may be due to you from Airwallex.
- 5.7. The funds held in Segregated Accounts may be in Singapore Dollars as well as other currencies ('**Safeguarded Currencies**'). The Safeguarded Currencies may be different from the Supported Currencies displayed in your Wallet – for example, you may have balances in Singapore Dollars, Hong Kong Dollars and Euros in your Wallet but the Safeguarded Currencies may be in Singapore Dollars and United States Dollars. Accordingly, to ensure sufficient funds are held in the Segregated Accounts, you agree that Airwallex will use the relevant foreign exchange rate ('**Applicable Rate**') to convert the balance of the Supported Currencies displayed in your Wallet into one or more Safeguarded Currencies. Depending on the Supported Currency, the Applicable Rate used by Airwallex will be the prevailing rate offered by the SI, or another rate permitted by Applicable Law (in each case, as reasonably determined by Airwallex). Airwallex will periodically adjust the balance of the Segregated Accounts to ensure sufficient funds are held in the Safeguarded Currencies. The Applicable Rate may be different from, but will not affect, the FX Exchange Rate offered to you when you use our Services.
- 5.8. The balance of your Wallet:
 - (a) will not expire, except when your Wallet is closed – see clause 17 for more details;
 - (b) will not earn any interest or rewards; and
 - (c) can be withdrawn at any time, subject to certain conditions – see clause 9 for more details.
- 5.9. We may place interim or permanent restrictions on your use of the Wallet, a Global Account or any other part of the Services depending on certain regulatory requirements, identity verification checks or business requirements, which will be set out in the Acceptable Use Policy or any Additional Terms. These will be communicated to you at the time the restriction is put in place or, if that is not practical due to urgent or unforeseen circumstances, promptly after the restriction is put in place.
- 5.10. **Supported Currencies.** The Services relate to a range of Supported Currencies. The Supported Currencies may differ depending on the Service. More information about the Supported Currencies for each Service are available on www.airwallex.com or the Airwallex Platform.

6. GETTING STARTED

- 6.1. **Creating your Airwallex Profile.** In order to use our Services, you must apply by providing the necessary information as prompted through the Airwallex Platform to register and create your Airwallex Profile. If required by Airwallex, you must provide your bank account details to be linked to your Airwallex Profile. We will review your application and contact you if we agree to provide you with the Services.
- 6.2. We will only create your Airwallex Profile and allow you to use our Services if we are satisfied with the information you have provided, and we have been able to verify this information. We may refuse a request to create your Airwallex Profile and use our Services in our sole discretion, for example if we reasonably believe you may be in breach of our Acceptable Use Policy or due to regulatory restrictions. You must inform us promptly if any details previously provided as part of your Airwallex Profile changes or is incorrect.
- 6.3. You can only have one Airwallex Profile, unless we agree otherwise in writing. If we discover that you have more than one Airwallex Profile, at our discretion, we may either merge or close any duplicate profiles, or terminate your Services, for example, if we reasonably believe you have opened them in order to bypass any restrictions in the Services.
- 6.4. You confirm you are acting on your own account, not on behalf of any other person or legal entity. Where you are a company, sole trader, partnership or other commercial entity, you confirm the Services are being used in connection with business or commercial purposes and not for personal, domestic or household purposes. If you are entering into this Agreement as trustee of a trust, you must disclose that to us. We will deem any use of the Wallet, including any transfers into and out of the Wallet, to have been carried out by you.
- 6.5. **Creating a Global Account.** Once we have created your Airwallex Profile, you can submit a request to open a Global Account by logging on to the Airwallex Platform and providing the necessary information, including any additional information that we may require from time to time. You may also need to agree to Additional Terms. We will advise you of this requirement, if relevant, when you request to open a Global Account.
- 6.6. **Setting up Airwallex APIs.** You may access the Airwallex Platform through Airwallex APIs as well as the Webapp. However, in order to use our Services through the Airwallex APIs, you must first be approved by us. If you are approved by us, you will need to comply with our API Documentation and reasonable directions regarding the integration and use of the Airwallex APIs.

7. AUTHORISED USER

- 7.1. You may appoint an **'Authorised User'** (for example, any of your directors, officers, employees or professional advisors) to access information about the Services and act on your behalf to enter into and confirm FX Conversions and Payouts under this Agreement. You must set up each Authorised User with a User Profile and promptly provide us with the following details of any of your proposed Authorised Users: Customer name, name of Authorised User, Customer address and billing address, phone and email address of Authorised User, and any other contact or identification information of the Authorised User that we may reasonably require. You must inform us promptly if any details previously provided about an Authorised User changes or is incorrect. You will ensure that your Authorised Users comply with this agreement and in respect of your obligations and liabilities under this Agreement and for such purposes any references to 'you' shall (where the context requires) be read as including your Authorised Users.
- 7.2. You may set up your Authorised Users to have different levels of authority by following the relevant prompts on the Airwallex Platform.
- 7.3. You agree that:
 - (a) your Authorised Users have the authority to provide instructions to us for the provision of Services on your behalf;
 - (b) we may rely on instructions given by the Authorised User, and you will be bound by the actions of your Authorised Users, until you provide us with written notice withdrawing or otherwise varying the authority of an Authorised User;

- (c) we may refuse access to your Authorised User(s) if we are concerned about unauthorised or fraudulent access; and
- (d) you will promptly report to us any infringements or unauthorised access to the Airwallex Platform, including through the Webapp or Airwallex APIs.

8. RECEIVING PAYMENTS & LOADING MONEY INTO THE WALLET

- 8.1. **Funding your Wallet.** You can load funds to your Wallet by logging in to the Airwallex Platform and following the steps as prompted. You may load funds to the Wallet by way of a bank transfer to Airwallex. We may permit additional methods of receiving or loading money into the Wallet from time to time.
- 8.2. **Global Account collection.** If we have opened a Global Account for you, you may also receive funds to your Wallet through a payer making a payment through the Global Account service in accordance with clause 5 above.
- 8.3. **We will credit your Wallet when we receive your funds.** When transferring money to your Wallet or to a Global Account, you should ensure that you or any transferee enters the correct bank details and any unique transaction reference number details specified by Airwallex. If you do not provide accurate details, then we may not be able to credit your Wallet and we will not be responsible for any loss you incur as a result. We are not responsible for any funds transferred, and will not record them as available in the Wallet, until we have actually received the funds from you or via a collection through the Global Account. The transfer of funds from you or other payers to your Wallet or a Global Account is a service provided by third parties, and is not part of our Services. We have no control over the time it may take for the transfer of such funds to clear and settle. If you think a mistake has been made, in transferring money to your Wallet or a Global Account, you should promptly contact the third party responsible for the transfer in the first instance. We will use reasonable efforts to cooperate with any such third party in investigating any such mistaken transfer.
- 8.4. **Reversals.** We may need to reverse a transaction and either deduct funds we have credited to your Wallet, or return funds we have debited from your Wallet, including in the following circumstances:
 - (a) the sender, or any relevant payment services provider, reverses a transaction or is likely to reverse a transaction;
 - (b) the sender made a transfer to you by mistake or your account has been credited in error;
 - (c) you have provided us with incorrect instructions for the transaction;
 - (d) we suspect that a transaction is fraudulent, or is in breach of this Agreement, the Acceptable Use Policy or Applicable Law; or
 - (e) we exercise our rights under clause 17.

You may request to configure your account so that any reversed transaction that results in a refund to you is paid in the source currency or the target currency, if supported. If the refund requires a FX Conversion, any associated FX Delta will be credited to or debited from the Customer's Wallet as applicable.

- 8.5. If you do not have enough funds in your Wallet for us to make a deduction, you must reimburse us as soon as possible, as set out in clause 9.22.
- 8.6. Where we make a reversal, we may choose whether to make the reversal in the currency of the original transaction or in a separate currency, for example, where the original transaction is not in a Supported Currency which can be held in your Wallet, we will generally choose to convert the amount of the reversal into your Base Currency. Where we are required to perform any currency conversions in connection with the reversal of a transaction, we will do this at the prevailing FX Exchange Rate applicable at the time of the reversal or at the original FX Exchange Rate applicable to the transaction, in our discretion.
- 8.7. You must promptly notify Airwallex in writing if you become aware that your Wallet has been credited in error.

9. MAKING PAYOUTS AND FX CONVERSIONS

- 9.1. **Your instructions.** You may instruct us to make a FX Conversion or Payout by providing the necessary details as prompted in the Airwallex Platform.
- 9.2. You should check each instruction carefully to ensure that the details of the instruction are correct including the bank account details of any payee. If you do not provide accurate details, then we may not be able to carry out your instructions correctly. In such cases, we will not be liable for any loss you incur, although we will use reasonable efforts to investigate and credit or return incorrect and inaccurately referenced payments into or from your Wallet. You should inform us promptly if you think a mistake has been made in your instructions. However, we may not be able to stop, amend or reverse a transaction undertaken in accordance with your instructions once a Confirmation has been issued.
- 9.3. **Confirmation.** Unless otherwise approved by Airwallex, you must have sufficient funds in your Wallet in the relevant source currency to cover the full amount of any FX Conversion or Payout (including Service Fees) that you wish to make. We may decline your instructions if you do not have enough funds, if you exceed any applicable limits, or in accordance with clause 17. When we are satisfied with your instructions we will issue you with a Confirmation and the amount specified in the Confirmation becomes due and payable to us on the date specified in the Confirmation.
- 9.4. Where there are insufficient funds for one or more FX Conversions and/or Payouts at Settlement Cut-Off, Airwallex reserves the right to make the FX Conversion or Payout at its discretion (for example, on a time basis, converting the earliest booked FX Conversion or Payout up to the value of the funds available to Airwallex at the applicable Settlement Date or Payout Date). The remaining booked FX Conversions will be treated as failed transactions, and Airwallex reserves the right to charge relevant break costs and administration fees in accordance with this Agreement.
- 9.5. We may impose daily or periodic limits on the amount of Payouts or FX Conversions you may enter into.
- 9.6. **FX Exchange Rate.** You may access the indicative FX Exchange Rate for a FX Conversion through the Airwallex Platform. The indicative FX Exchange Rate will be quoted to you when you instruct us through the Airwallex Platform and the final FX Exchange Rate will be confirmed when we issue a Confirmation. We will ensure, as far as reasonably practicable, that the confirmed FX Exchange Rate reflects the rate quoted to you. The rate may be different as the rate may have changed between the time of your instruction and the time we issue the Confirmation. You agree that changes to exchange rates come into effect immediately without notice.
- 9.7. **Pre-Fund Spot FX Transactions.** For a Pre-Fund Spot FX Transaction, you simultaneously: (i) order and agree to the Pre-Fund Spot FX Transaction; (ii) agree to have your Intermediary Account debited by Airwallex; and (iii) agree to have your Intermediary Account credited or payout made by Airwallex. Consequently, the settlement of Pre-Fund Spot FX Transactions generally occurs simultaneously with the agreement to enter into the Pre-Fund Spot FX Transaction (or within two days in some circumstances).
- 9.8. **Post-Fund Spot FX Transactions.** For a Post-Fund Spot FX Transaction, you: (i) order and agree to the Post-Fund Spot FX Transaction on a date ("Order Date"); (ii) agree to have your Intermediary Account debited by Airwallex by Settlement Cut-Off; and (iii) agree to have your Intermediary Account credited or payout made by Airwallex simultaneously with or immediately after the relevant debit is completed. Consequently, the Settlement Cut-Off of the Post-Fund Spot FX Transaction will generally be on either: (i) the Order Date; or (ii) up to two days after the Order Date.
- 9.9. **Open Position Limit.** If you request and are granted Post-Fund capability, you will be able to book Post-Fund Spot FX Transactions up to a certain value ("**Open Position Limit**"), which will be specified by us. You may be required to provide an Advance Payment Deposit in order to book a Post Fund Spot FX Transaction. If you fail to fund your Post-Fund Spot FX Transactions in accordance with this clause 9, we may suspend or cancel an Open Position Limit in our sole discretion and/or take steps to unwind the overdue Post-Fund Spot FX Transaction at the prevailing FX Exchange Rate and pass on all associated losses and costs to you.
- 9.10. **Settlement requirements.** The issue of a Confirmation means that the FX Conversion or Payout is final and binding and cannot be cancelled (other than in accordance with clause 9.25 or 9.26 below). We will deduct the relevant proceeds due and payable in connection with the FX Conversion or

Payout from your Wallet on the Settlement Date. You must ensure that there are sufficient funds available in your Wallet by the relevant Settlement Cut-Off time.

- 9.11. If a Settlement Date or Payout Date is not a Business Day or the day is not a day banks are open for business (other than a Saturday, Sunday or public holiday) in the countries of the currencies that are being transacted (**Local Business Day**), then the Settlement Date or Payout Date (as applicable) may be adjusted by us to the next day that is both a Business Day and a Local Business Day.
- 9.12. If any other date specified in this clause 9 is not a Business Day, or if we receive your instructions after 5pm on a Business Day, then the date may be adjusted by us to the next day that is a Business Day.
- 9.13. **Execution time.** If you are making a Payout and/or FX Conversion, we will generally remit the Payout and/or effect the FX Conversion on the Payout Date or Settlement Date (as applicable) provided that we have received corresponding payment or funds from you in accordance with clause 9.
- 9.14. For a Payout, the methods of crediting the funds may be provided by third parties (for example the bank where the payee has their bank account) and are not part of our Services. We do not have any control over the amount of time it may take for a payee's bank or payment provider to credit funds to the payee, but would generally expect this to take less than 5 Business Days, unless a longer period is required by Applicable Law.
- 9.15. **Holding Amount.** Airwallex may from time to time require you to pay to it an amount (the **Holding Amount**) by way of deposit against the potential liabilities you may incur in connection with transactions you enter into with us. Airwallex may at any time in its absolute discretion, by not less than two days prior notice, require you to make additional payments to Airwallex with such payments forming part of the Holding Amount.
- 9.16. The Holding Amount may be applied to meet any amount you owe to Airwallex in connection with this Agreement.
- 9.17. The Holding Amount may be deducted from the balance of your Wallet or a hold may be placed over a portion of the balance of your Wallet corresponding to the Holding Amount (in which case you will not be able to enter into FX Conversions or Payouts using this amount). You acknowledge and agree that you will not be entitled to interest on the Holding Amount and we may retain any interest in connection with the Holding Amount. Airwallex shall return to you any remaining balance of the Holding Amount (less any amounts deducted in accordance with this sub-clause) if you terminate your relationship with us and you do not owe any outstanding obligations to us or at such other time as we may agree in our absolute discretion.
- 9.18. **Failed FX Conversions and Payouts.** We may in our sole discretion decide to cancel an FX Conversion or Payout, or delay the Settlement Date of a FX Conversion or Payout, by rolling it over to the next Settlement Date or Payout Date (as applicable), due to reasons outside of our control such as:
- (a) failure of conversion in the sell currency by the Customer to Airwallex on any FX Conversion;
 - (b) failure of Payout in the Payout currency by the Customer to Airwallex on any Payout; or
 - (c) due to any closure or disruption to the normal operation of banks in the countries of the currencies that are being transacted.
- 9.19. **Termination of FX Conversion.** We may terminate a FX Conversion at any time:
- (a) if you fail to pay to us any part of the Holding Amount required from you or you communicate an intention not to pay such amount;
 - (b) if you communicate an intention not to be bound by the terms of an FX Conversion or to default under the terms of an FX Conversion;
 - (c) if you suffer an Insolvency Event or if in our reasonable opinion there is an adverse change in your financial position;
 - (d) if you have not made a required payment by the Settlement Cut-Off time;
 - (e) if you breach this Agreement (including because you have defaulted on your obligations in connection with any other FX Conversion or Payout) or any Additional Terms; or

- (f) if required by Applicable Law.
- 9.20. If your FX Conversion is terminated, you must indemnify Airwallex for all losses and expenses incurred by Airwallex in connection with the termination and unwinding of the FX Conversion. Airwallex may require you to compensate it for such losses or expenses by charging you a break cost which reflects Airwallex's genuine and reasonable estimate of its likely losses in connection with the termination and unwinding of a FX Conversion. More information about how break costs are calculated is available from Airwallex on request. In the event that a gain is made by Airwallex in connection with the termination of a FX Conversion, such gain will not be paid to you under any circumstances.
- 9.21. **Right of rejection.** We reserve the right to withhold, block, suspend, reject or delay any transaction (including remitting funds to you under a FX Conversion) in order to comply with Applicable Law. We may not accept your instructions for a Payout or FX Conversion if:
- (a) no valid exchange rates are available from our correspondent banking partners, liquidity providers, or other financial institutions;
 - (b) any relevant anti-money laundering or counter financing of terrorism conversion limits are exceeded; or
 - (c) you have not complied with your obligations under this Agreement or any Additional Terms.
- 9.22. **Obligation to repay.** You cannot have a negative balance in your Wallet. If any transactions or charges (including any chargeback, reversal of a transaction, or deduction of fees) take your Wallet below zero, you must immediately repay the amount owing to us, without requiring notice from us to do so. If you do not, we may suspend use of your Wallet or refuse to provide the Services to you. We may also take reasonable steps to recover any amount owing to us (such as taking legal action or using debt collection services) and charge you for the cost of these services.
- 9.23. **We can deduct funds from your Wallet if you owe us money, including the Service Fees.** You authorise us to deduct the Service Fees and any other amounts that you owe us from time to time from the funds in your Wallet. If you do not have enough funds in your Wallet to cover these amounts, we will not accept or process your instructions and may refuse to provide the Services to you. We may also, at your cost, take reasonable steps to recover the amount owing (such as taking legal action or using debt collection services).
- 9.24. **Airwallex Pay Service.** You may instruct us to authorize and/or make Payouts to customers of Airwallex Group Companies ("**Airwallex Pay Service**") in connection with the purchase of goods and services.
- (a) **Currency Conversion.** You may make Payouts through the Airwallex Pay Service in Supported Currencies. If your transaction is in a Supported Currency, the amount of your transaction shall be invoiced to you in that Supported Currency. If you do not have sufficient funds in the relevant Supported Currency, Airwallex may allow you to make an FX Conversion before the Payout. We will not reverse such FX Conversion if you receive refunds or other funds from reversed Airwallex Pay Transactions.
 - (b) **Refunds.** You will receive refunds from merchants in the same Supported Currency as your initial Payout.
 - (c) **Authorization and Suspension.** Payout through Airwallex Pay Service ("**Airwallex Pay Transaction**") may require our authorization. We may in our reasonable discretion deny authorization and/or suspend your use of Airwallex Pay Service without giving you any notice, including (but not limited to) in circumstances where (i) you do not have sufficient balance in your Wallet, (ii) the requested transaction exceeds any transaction limit that we may set in connection with your use of Airwallex Pay Service from time to time; (iii) we suspect that there is fraud or a security issue; or (iv) we suspect that Airwallex Pay Service is being used for an illegal purpose. Before we authorize an Airwallex Pay Transaction, we may require you to confirm your identity by following certain steps specified by us. You acknowledge and agree that we are not liable to you or any other person for any loss suffered as a result of an authorization not being granted.
 - (d) **Goods and Services.** We are not responsible for, nor make any representations or warranties in respect of, the quality, safety, legality, or any other aspect of any goods or services that you purchase using Airwallex Pay Service. We are not liable for any loss arising from any

merchant refusing to accept your Payout. Any complaints, claims or disputes about any goods or services purchased using Airwallex Pay Service must be resolved directly with the merchant concerned in the transaction. You are not entitled to withhold payment from us because of any unresolved complaint, claim or dispute with a merchant.

- (e) Transaction limits. We may from time to time set transaction limits on your use of the Airwallex Pay Service, which may be on a per day or per transaction basis. We may cancel or temporarily suspend your Airwallex Pay Transaction or Airwallex Pay Service with immediate effect by giving you written notice if we have reasonable grounds for suspecting that the security of your Airwallex Profile is compromised or you have breached these Terms.
- (f) Your liability. You will remain liable for all transactions made through your Airwallex Profile. You will be liable for all unauthorized transactions where you have contributed to the loss by:
 - (i) breaching or compromising the security of your Airwallex Profile;
 - (ii) delaying the reporting of the theft or misuse of your Airwallex Profile or credentials;
or
 - (iii) breaching these terms,

in which case you will be liable for all losses until such time as you notify us of the theft or misuse of your Airwallex Profile or credentials.

- (g) Reversal of Airwallex Pay Transaction.
 - (i) You may request to reverse Airwallex Pay Transactions in very limited cases such as fraud or manifest error. In such circumstances, you must make the request in writing to us and we shall determine in our sole discretion whether to accept or reject the request. You may not request to reverse an Airwallex Pay Transaction on the basis of a dispute with the merchant about the related goods and services.
 - (ii) You must raise a reversal request to us within 120 days of the original Airwallex Pay Transaction and provide us with any information we ask for to support your request.
