5. CUSTOMER DUE DILIGENCE

5.1 To meet our obligations under Applicable Law, before we provide our Services to you and from time to time during our provision of Services to you, we may carry out customer due diligence checks on you, your directors, partners, ultimate beneficial owners, and employees (as relevant) and Authorized Users together with any parties involved in your transactions or use of the Services. 7.2 Conduct. The Customer is solely responsible for any use of the Services, the Webapp and other features of the Airwallex Platform, including the content of any data or transmissions it executes through the Airwallex Platform, or by any Authorized User. The Customer will use all reasonable endeavors to ensure that no unauthorized person will or could access the Airwallex Profile, any of the Services or other features of the Airwallex Platform or the Webapp. The Customer will not interfere with, disrupt, or cause any damage to other users of the Airwallex Platform, the Webapp or the Services.

7.3 Disclaimers. To the extent permitted by law, Airwallex makes no warranties, guarantees or representations of any kind with respect to the Airwallex Platform, the Webapp or the Services. All warranties, conditions and terms, whether express or implied by statute, common law or otherwise (including any implied warranties of merchantability, satisfactory quality or fitness for a particular purpose or non-infringement of third party rights) given by Airwallex are excluded to the extent permitted by law. In particular, Airwallex:

- (a) does not make any commitments about the content or data within the Airwallex Platform, the specific functions of the Services or its accuracy, reliability, availability or ability to meet the Customer's needs;

(d) does not offer financial advice and the Customer must not treat any information or comments by Airwallex as financial advice.

7.4 Non-reliance. Airwallex may work with third parties, including other Airwallex Affiliates, to provide the Services. The Customer bears all risk and responsibility if it chooses to rely on such information.

8. BETA SERVICES

(d) we may make updates, changes, repairs, or conduct maintenance at any time, and with or without notice, which may result in changes in the availability or quality of Beta

Services. In addition, Airwallex may suspend your access to Beta Services with or without notice, including if we reasonably believe that:

- (i) suspension is required by Applicable Law;
 - (ii) continuing to provide the Beta Services would make Airwallex in breach of any obligation that Airwallex owes to a third party; or
 - (iii) Airwallex determines that continuing to provide the Beta Services would give rise to an unacceptable security or privacy risk; and
- (e) we may terminate your access to the Beta Services if we in our sole discretion stop offering the Beta Services completely, or within your geographic jurisdiction.

8.3 Airwallex may, in its discretion, provide Beta Services to the Customer free of charge.

- (b) **Accuracy, Originality, and Suitability.** We do not warrant Outputs. They may be inaccurate, incomplete, non-unique, or unsuitable. You must independently verify and apply human review before using Outputs in any way that could affect rights, obligations, or compliance.
- (c) **Customer Inputs and Responsibility.** You are responsible for all data and content you submit to or through the AI Services ("**Inputs**"), for having necessary rights and consents, and for your use of Outputs. You will not submit Inputs that violate Applicable Law or third-party rights, including card network or bank partner rules.

(d) **Appropriate Use; High-Risk Activities.** You will not use AI Services for high-risk decisions (e.g., credit, insurance, employment, lending, or KYC/AML) without appropriate human review and safeguards and as otherwise restricted by Applicable Law.

(e) **Third-Party Models and Content.** AI Services may use third-party models, datasets, or services that may change or be discontinued. We make no commitments about third-party content. Your use may be subject to additional third-party terms.

(f) **Prohibited Inputs; Sensitive Data.** Unless we expressly permit it in writing, you will not submit: (i) confidential or proprietary information; (ii) special categories of personal data or other sensitive data; or (iii) unlawful, harmful, discriminatory, harassing, defamatory, obscene, or fraudulent content. If you submit any such Inputs in violation of this section you do so at your own risk and remain solely responsible.

(g) **Suspension and Enforcement.** We may suspend, restrict, or disable AI Services, or apply rate limits, usage caps, or content filters, if we reasonably believe there is misuse, risk, or a legal or contractual violation, and may do so without prior notice where permitted by Applicable Law.

(h) **Intellectual Property; Licenses.** We and our licensors own the AI Services and related technology. We grant you a non-exclusive, non-transferable, revocable right to use Outputs for your lawful business purposes, subject to this Agreement and third-party rights. You will not reverse engineer, test for vulnerabilities, or use Outputs to train competing models, except as required by law or permitted by applicable open-source licenses. You grant us a worldwide, royalty-free, transferable, sublicensable license to use Inputs and feedback to provide, secure, and improve the AI Services and related offerings.

(i) **Privacy and Data Use.** Subject to our Privacy Policy and, if applicable, data processing agreement, we may process Inputs and Outputs to operate, secure, and improve the AI Services, including training underlying models. You will not use AI Services to collect, infer, or create profiles in violation of Applicable Law or without required notices or consents.

9. SERVICE FEES

9.1 In consideration for the Services, the Customer will pay to Airwallex the Service Fees. The Service Fees charged depend on the Service used by the Customer and are set out in the Fee Schedule (as updated from time to time and which forms part of the Terms) or as otherwise agreed in writing with us.

9.2 To access certain Services, you will be required to select one of the subscription plans specified on the Airwallex Platform, in the Fee Schedule or otherwise in writing by us from time to time (**'Subscription Plan'**) and pay fees on a recurring basis, as set out in the Fee Schedule, on the Airwallex Platform or as otherwise agreed in writing (**'Subscription Fees'**). By activating a Subscription Plan or using a Service that is part of a Subscription Plan (including after the completion of any trial period, if applicable), you agree to pay the applicable Subscription Fees.

9.3 Changing your Subscription Plan. You may upgrade or downgrade your Subscription Plan at any time, via the Airwallex Platform. Downgrades to an account's Subscription Plans will take effect at the end of the Customer's then-current billing cycle, while upgrades will take effect immediately. Downgrading your Subscription Plan could mean that you will lose access to certain products and features, and you should review your account before you downgrade and take appropriate action to ensure a smooth transition for when the downgrade occurs.

9.4 Unless specified in the Fee Schedule or we otherwise agree in writing with you, Subscription Fees will be charged at the end of every billing cycle until canceled. A billing cycle begins when you are first provided access to a Subscription Plan, and continues for one month. You may cancel a Subscription Plan at any time via the Airwallex Platform. If you cancel a Subscription Plan, you will continue to have access to that Subscription Plan through the end of your then current billing cycle. You are still liable for the Subscription Fees for the then current billing cycle and will not be entitled to a refund or credit for any Subscription Fee already due or paid. Cancelling a Subscription Plan only discontinues your permission to use the services associated with your Subscription Plan, and does not terminate your account. After you have cancelled a Subscription Plan, your account and related information are maintained by Airwallex and remain accessible to you, to ensure that you are able to access your account and existing data upon reactivating your subscription to the Services. Your account can be reactivated on your request. You may reactivate your access to a Subscription Plan at any time via the Airwallex Platform.

9.5 Invoices. In respect of certain Services, Airwallex may invoice the Customer for amounts due or payable under the Terms on a monthly basis.

9.6 Any invoices issued by Airwallex must be paid by the Customer in a timely manner in order for the Customer to continue their access to the Services and no later than the date specified on the invoice. If full payment is not received on time, Airwallex may suspend the Customer's use of the Services and access to any associated accounts until Airwallex receives the full invoiced payment.

9.7 Tax. All amounts payable to Airwallex under the Terms are exclusive of all taxes and similar fees now in force or enacted in the future, which the Customer will be responsible for and will pay in full without any set-off, counterclaim, deduction or withholding unless prohibited by Applicable Law. Where the Customer is obliged by Applicable Law to deduct withholding tax from any payment made to Airwallex:

- (a) the Customer will promptly notify Airwallex of the requirement;
- (b) the Parties will make all necessary filings in order to ensure the provisions of any applicable tax treaty applies to the payment;
- (c) the Customer will pay to Airwallex such additional amount as will result in the receipt by Airwallex of the full amount which would otherwise have been receivable had no withholding or deduction been payable;
- (d) the Customer will pay to the relevant authorities the full amount required to be deducted or withheld when due; and
- (e) the Customer will promptly forward to Airwallex an official receipt (or a certified copy), or other documentation reasonably acceptable to Airwallex, evidencing payment to such authorities.

9.8 Airwallex may deduct any amounts that the Customer owes Airwallex from time to time from the funds Airwallex collects or receives as part of the Services or from any amount provided as security pursuant to clause 9.9 of these General Terms. If the Customer does not have enough funds to pay the amount owed to Airwallex, Airwallex may, at the Customer's cost, take reasonable steps to recover this amount (such as taking legal action or using debt collection services).

9.9 Security. Airwallex may, at any time, require that the Customer procures, within thirty (30) days (or such longer period as the Parties agree) after receiving Airwallex's written request, a guarantee, indemnity or other security (including the replacement of any existing security) in such form and over such assets as Airwallex may reasonably require to secure to its reasonable satisfaction the performance of the Customer's obligations (including contingent or potential obligations) from time to time under the Terms.

10. INTELLECTUAL PROPERTY

10.1 Airwallex Marks. All Airwallex Marks owned or used by Airwallex in the course of its business are the property of Airwallex. 10.2 Ownership. Airwallex owns all Intellectual Property Rights in and to the Services, including the Airwallex Platform, the Webapp and its proprietary technology, including its software (in source and object forms), algorithms, user interface designs, architecture, and documentation (both printed and electronic), and network designs, and including any modifications, improvements, feedback, ideas or suggestions relating to the Airwallex Platform, the Webapp and Services and derivative work thereof. The Terms do not transfer from Airwallex to the Customer any ownership rights in the Airwallex Platform, the Webapp or the Services.

10.3 Customer Materials.

(a) The Customer grants a royalty-free, non-exclusive, irrevocable, transferable and sub-licensable license to Airwallex and any applicable Affiliate or third party service provider of Airwallex, to use the Customer Materials, for the purposes of operating the Airwallex Platform, providing the Services, and fulfilling Airwallex's rights and discharging its obligations under the Terms.

(b) The Customer is solely responsible for the quality, accuracy, and completeness of any Customer Materials and shall indemnify and hold harmless Airwallex, its Affiliates and its service providers on demand against all Losses arising out of or in connection with their use of the Customer Materials in accordance with the license granted pursuant to this clause 10.3 and any claim that the Customer Materials infringe the Intellectual Property Rights of any third party.

Airwallex grants you a personal, limited, revocable, non-transferable, non-exclusive, non-assignable, non-sub-licensable, royalty-free license to access and use the Airwallex Platform through any supported web browser for the receipt of Services provided to the Customer under the Terms provided that you comply with the Terms.

10.5 License restrictions. The provisions of this clause 10.5 shall apply to any licenses granted to the Customer by Airwallex and/or its Affiliates. The Customer shall not, except to the extent allowed by Applicable Law or granted under a license from Airwallex to the Customer under clause 10.3 or otherwise in the Terms, attempt to:

(a) use, distribute, reproduce, modify, copy, adapt, translate, create derivative works from, transfer, loan, rent, sublicense, sell, or otherwise commercially exploit, frame or otherwise re-publish or redistribute, publicly perform or publicly display any part of the Services including the Airwallex Platform, Services, or included software;

(b) allow any unauthorized person to access or use the Airwallex Platform or use the Services, or trade on the Airwallex Platform for speculative purposes; or

(c) reverse compile, disassemble, reverse engineer, attempt to extract the source code, or otherwise reduce to human-perceivable form all or any part of the Services or Airwallex Platform.

10.6 Customer infringement. The Customer will not use the Services, including the Airwallex Platform, in any way that infringes or violates Airwallex's or any third party's Intellectual Property Rights or otherwise in breach of Applicable Law. The Airwallex Platform may display content that Airwallex does not own or is otherwise not responsible for. The Customer shall not use content from any of the Services, including the Airwallex Platform, unless the Customer obtains written consent from Airwallex or the owner of the content, or as permitted by Applicable Law.

10.7 Promotion. The Customer agrees that Airwallex may include the Customer's name, trading name, logo, trade marks and general business information in Airwallex's promotional and marketing materials for the Services and on its websites without consent. The Customer may at any time and upon reasonable notice in writing to Airwallex request that Airwallex ceases to use its name, logo, trade marks and general business information for these purposes.

10.8 Feedback. If the Customer provides us with any comments, questions, ideas, suggestions or other feedback relating to the Airwallex Platform or any of the Services ('**Feedback**'), Customer agrees that we may freely use, copy, disclose, license, distribute and exploit such Feedback in any manner without any obligation, royalty or restriction based on Intellectual Property Rights or otherwise. Feedback will not be considered as constituting Customer's Confidential Information or Customer Materials.

11. LIABILITY

11.1 Nothing in the Terms limits or excludes:

(a) in relation to each Party, its Liability for:

(i) death or personal injury caused by its negligence;

(ii) fraud or fraudulent misrepresentation;

(iii) any other act or omission, liability for which may not be limited under Applicable Law; and

(b) in relation to the Customer, its Liability for:

(i) any sums properly due and payable to Airwallex under the Terms;

(ii) a breach by the Customer of Applicable Laws; and

(iii) liability arising under any indemnity given by the Customer.

11.2 Subject to clause 11.1, Airwallex and its Affiliates shall have no Liability in respect of:

(e) any error, mistake or non-performance arising from the payee/beneficiary bank if the payee/beneficiary bank fails to process the payment correctly; and

(f) any action we undertake where such action is based on a good faith belief that such actions are reasonably necessary or desirable in order to maintain compliance with Applicable Law.

11.3 Subject to clause 11.1, the maximum aggregate Liability in any one (1) calendar year of Airwallex in relation to the Terms shall not exceed the aggregate Service Fees paid by the Customer in respect of that year in relation to the Terms.

11.4 Damages alone may not be an adequate remedy for breach and accordingly either Party will be entitled to seek the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach.

12. INDEMNITIES

12.1 Customer's Indemnity. The Customer shall indemnify and keep indemnified Airwallex and its Affiliates on demand against all Losses incurred or suffered by Airwallex and its Affiliates in connection with or as a result of:
