Disclaimer

- The practice must be completed with an adult 21 years or older who has held a valid driver's license for at least one year.
- Only one hour per calendar day can be counted toward your total, even if more than one hour was spent on the road.
- Each entry should list daytime or nighttime hours. At least 10 out of the 30 hours must be evening or night practice.
- Keep this sheet in a safe place and fill it out as you go instead of waiting until all practice is done.
