## Relieve Furniture

Relieve Furniture is a private marketplace that supports UK charities, schools, and not-for-profits gain access to great quality office furniture at a very low cost\*.

We assist businesses achieve their Corporate Social Responsibility goals by identifying surplus office furniture and posting it to our private network - finding a second home and new life!

The process is simple:

\* This service is free for donators as well as for charities to subscribe. We only ask a symbolic price to charities to make sure collection is made.

In partnership with:

**Sotheby's** EST. 1744

**80+**

items found a second life

**20+**

happy charities got settled

**+1 tonne**

Saved from landfill

“The final collection went well. The Relieve process was very smooth, everything was great and I’m very glad we were able to support and partner with yourselves in this way. We’ll have some more furniture in the coming months so we’ll reach out as soon as we can.”
