This is your Declaration of Automobile Insurance. Contact your Broker/Agent with any questions or if you require clarification regarding your coverage choices.

The coverages provided by the Policy are limited and they only apply to accidents that arise from the use or operation of the automobile as a transportation network automobile. Damages caused in any accident where the automobile is being used for a purpose other than as a transportation network automobile are not recoverable under the insurance Policy.

The following is a brief explanation of the insurance outlined in Item 4 - Insuring Agreements of this declaration. The contract is contained only in the Policy.

#### POLICY SECTION A – THIRD PARTY LIABILITY

Provides coverage for legal responsibility to others arising from an automobile accident causing death or injury to persons or damage to their property.

#### POLICY SECTION A.1 – DIRECT COMPENSATION FOR PROPERTY DAMAGE

Provides coverage under certain conditions for damage to your automobile, to property that it is carrying and for loss of use arising from damage when another motorist is responsible. There may be a deductible.

#### POLICY SECTION B – ACCIDENT BENEFITS

**PAYMENTS FOR DEATH OR BODILY INJURY:** provides benefits that you and certain other insured persons are entitled to receive if injured or killed in an automobile accident. Payments are made regardless of who is responsible for the accident.

**UNINSURED MOTORIST:** Allows the insured person to recover damages for bodily injury or death from the Insurer caused by an uninsured or unidentified motorist. The coverage essentially applies when an insured person is travelling in a Canadian or United States jurisdiction where no uninsured motorist fund exists.

### **POLICY SECTION C – LOSS OF OR DAMAGE TO INSURED AUTOMOBILE**

This section of the Policy provides a selection of coverages for the policyholder's own automobile. There is usually a deductible amount indicated for each coverage and this amount is either paid by the policyholder toward the cost of repairs or is deducted from the loss settlement.

**ALL PERILS** Subsection 1: Combines the Collision and Comprehensive coverages.

**COLLISION OR UPSET** Subsection 2: Covers damage caused by Collision with another car, another object or by upset.

**COMPREHENSIVE** Subsection 3: Covers the automobile against loss or damage caused other than by Collision or Upset. The coverage is not confined to specific hazards and is therefore broader in scope than the alternate coverage – Specified Perils (Subsection 4).

**SPECIFIED PERILS** Subsection 4: Covers the automobile against loss or damage caused by certain specified perils. They are fire, theft, lightning, windstorm, hail, earthquake, explosion, riot, falling aircraft, rising water, or an accident to a vehicle or boat on which the automobile is being transported.

### **WARNING: THE INSURANCE ACT PROVIDES THAT**

**If (a) an applicant for a contract (i) gives false particulars of the described automobile to be insured to the prejudice of the insurer, or (ii) knowingly misrepresents or fails to disclose in the application any fact required to be stated in the application, (b) the insured contravenes a term of the contract or commits a fraud, or (c) the insured wilfully makes a false statement in respect of a claim under the contract, a claim by the insured is invalid and the right of the insured to recover indemnity is forfeited.**
