CoinDCX Raises \$135 million in Financing Led by Pantera Capital and Steadview Capital Management

Transaction Overview

Transaction Summary

- **On April 19, 2022, India-based cryptocurrency trading platform CoinDCX announced that it has raised \$135 million in Series D financing**
 - The round was led by Pantera Capital and Steadview Capital Management, with additional participation from investors including Kingsway, DraperDragon, Republic, and Kindred
 - Existing investors such as B Capital Group, Coinbase, Polychain, and Cadenza also participated in the round
 - The Company's post-money valuation nearly doubled to \$2.15 billion, from \$1.1 billion at the time of its Series C round in August 2021 ⁽¹⁾
 - According to the Company, CoinDCX became India's first crypto unicorn following its 2021 Series C round, and this latest round makes it the highest valued crypto company in India
- **CoinDCX plans to use the new funds to continue to launch new products and invest further in making its platform educational, safe, and compliant**
 - The Company plans to support a number of crypto and Web3 initiatives in India, and plans to triple its headcount to over 1,000 by the end 2022
- **The Company currently supports over 10 million users on its platform**

Transaction Commentary

"With a shared vision of a digital-first economy, we see this round as a strong endorsement of the amazing work that CoinDCX has done for the ecosystem over the years and our plans for the future. With a wide array of products built for India, and the commitment to building compliant, simple, and safe solutions, we are uniquely positioned to help forge greater understanding and trust between regulators, industry, and our users, ultimately helping accelerate the growth of Crypto adoption in India and further the march of Web3.0."

Sumit Gupta
CEO

"We have long been impressed by CoinDCX's vision to build a thriving Web3 ecosystem in India and it has been our pleasure to support the team's execution in building the most customer-centric and feature rich crypto exchange in India following our initial investment in 2021." ⁽¹⁾

The Blockchain Economy: How Cryptocurrencies and Blockchain Technology Are Redefining Existing Markets and Creating New Ones

Click pictures to view report

Activity surrounding blockchain, cryptocurrencies, and other digital assets has surged over the past few years. As a result, a true "blockchain economy" has emerged as billions of dollars are flowing through cryptocurrencies and other digital assets such as non-fungible tokens (NFTs) every day. Retail and institutional adoption continues to accelerate in pace, and the ecosystem may be on the precipice of its largest evolution yet given the growing interest in decentralized finance (DeFi). The blockchain economy continues to grow and develop new use cases, though there remain significant technological, organizational, and behavioral challenges that will need to be addressed before the technology becomes fully integrated with the existing global economy.

Key discussion topics of the report include:

- A primer on key blockchain technologies and use cases, and an overview of the current state of the blockchain economy
- A detailed landscape of companies in the crypto, blockchain and DeFi space
- A proprietary list of financing and M&A transactions
- Profiles of over 40 companies and 20 transactions in the space
