"We're thrilled to partner with our Series B investors to bring Greenlight to millions of new families and help parents prepare their children for healthy financial futures. In the near future, I hope that this generation of kids grow up to spend wisely, learn the importance of saving and feel confident investing to build wealth over the long-term."

Tim Sheehan
CEO & Co-Founder

"Greenlight has built an incredible platform that makes it convenient and safe for parents and kids to manage their money...What attracted us to Greenlight is the scarcity of tech platforms empowering consumers to be more financially successful."

Chris Olsen
