 - Bill.com services over 100,000 customers and saves them over 50% in time spent associated with processing traditional accounts payable and receivable
 - More than \$58 trillion in B2B payments are made annually with 80% of them paper checks, which come at a high cost including potential for errors and security issues
- Bill.com has partnerships with the largest U.S. financial institutions, more than 70 of the top 100 accounting firms, major accounting software providers, and is the preferred provider of digital payments solutions for CPA.com, the technology arm of the American Institute of CPAs (AICPA)

Transaction Commentary

"Bill.com is changing how payments are made in the SMB market by defining an industry leading payment and software platform for SMBs. Businesses struggle with conventional payment processes which are complex, manual, paper-based and not always secure. Our cloud payment platform is changing all that. We automate payments and back office business processes resulting in significant efficiencies and cost savings."

René Lacerte
Founder and CEO

"This is the Golden Age of SMB software and B2B payments with a huge market that's ready for adoption. Bill.com is a clear category leader with a mission to make it simple for businesses to connect and do business. The company has the right SaaS solution, ecosystem partners, significant customer base, and team to scale and capitalize on this significant opportunity."
