### Transaction Commentary

"We started Branch in Kenya, where M-Pesa gives anyone with a phone -- including the unbanked -- access to digital credit. Unfortunately, mobile money isn't available in most countries. With the help of Visa, now we can send cash to any ATM and reach the underserved around the planet."

**Matt Flannery**  
Co-Founder, CEO

"At Visa, we believe financial empowerment is an essential passport out of poverty. Our partnership with Branch provides Visa a key distribution mechanism to reach people that were previously out of reach and help shape the future of microfinance."

**Bill Sheedy**  
Executive Vice President of Strategy

"I've known the Branch team since right after the company was founded. After tracking them for years, it has become clear to me that emerging markets are one of the biggest growth areas for fintech. Our history of successful fintech investments is evidence that we know how to spot true innovators, like Branch. The team has executed incredibly well and is poised to become the cross-border financial super-app."
