Transaction Commentary

"We are working hard to connect hundreds of millions of people with access to the best possible choices from leading banks. We are proving that the evolution of computation and storage means that there is no longer any reason why the best financial products should not be available to people in the early stages of building wealth."

Andrew Watkins-Ball
Founder & CEO

"There is immense opportunity across Africa and beyond for Jumo to build on its successful track record developing digital marketplace infrastructure to offer mobile subscribers access to relevant financial products. We are excited to partner with this highly capable team as it continues to leverage technology to advance financial inclusion."
