FT Partners Advises L2C on its Sale to TransUnion

Overview of Transaction

- On October 31st, 2014, L2C, Inc. ("L2C") was acquired by TransUnion
- Backed by QED and Core Innovation Capital, L2C leverages alternative payment and asset data to create new predictive credit, marketing and collection scores for over 220 million Americans
- Financial terms of the transaction were not disclosed

Significance of Transaction

- The acquisition of L2C by TransUnion allows the bureau to become a leader in scoring individuals in a historically unaddressed, but rapidly growing market (underbanked, subprime and new to credit)
- L2C's ability to provide predictive scores on more than 90% of customers will be combined with TransUnion's rental information and CreditVision® suite of services to help lenders get a more accurate picture of underbanked consumers and subsequently, the credit rates they deserve

FT Partners' Role

- FT Partners served as exclusive strategic and financial advisor to L2C and its Board of Directors
- FT Partners leveraged its deep knowledge, extensive experience and broad industry relationships to help achieve a highly favorable outcome for stakeholders
- Transaction demonstrates FT Partners' continued success in achieving highly attractive outcomes for leading credit and lending technology firms

FT Partners Advises Nav on its Series B Financing

Overview of Transaction

- On May 3, 2017, Nav announced it has raised \$13 million in additional Series B financing, increasing the round to \$38 million
 - The round expansion was led by Goldman Sachs Principal Strategic Investments group with participation from CreditEase FinTech Investment Fund, Point72 Ventures and Clocktower Technology Ventures
- On September 21, 2016 Nav initially raised \$25 million in Series B equity financing led by Experian with participation from existing investors including Kleiner Perkins Caufield & Byers and Crosslink Capital
 - Nav and Experian also announced a strategic partnership to provide SMBs greater transparency into their business and personal credit data, along with instant access to their most-qualified financing options
- Nav enables SMBs to manage their entire credit and financial profile and provides access to financing and business services through its marketplace offerings
- Experian is a leading global information services company, providing data and analytical tools to help businesses manage credit risk, prevent fraud and automate decision making

Significance of Transaction

- The transaction capitalizes on Nav's strong growth and traction and firmly positions the Company to expand its marketplace offerings and continue to disrupt the credit and financing space
- The strategic partnership allows Nav to combine Experian's deep levels of data on consumers and businesses with its industry leading platform, empowering SMBs with technology to improve their credit and streamline access to funding

FT Partners' Role

- FT Partners served as exclusive strategic and financial advisor to Nav and its Board of Directors

FT Partners Advises Google Capital on its Lead Investment in Credit Karma

Overview of Transaction

- On March 12, 2014, Credit Karma announced it closed an \$85 mm equity round led by new investor Google Capital (now known as CapitalG)
- David Lawee, Partner at Google Capital, will join Credit Karma's Board
- Credit Karma's existing investors, Ribbit Capital and Susquehanna Growth Equity, also participated in the round, as well as new investor, Tiger Global Management
- The investment follows a year of exponential growth for Credit Karma, including triple-digit percentage growth in site membership, revenue and headcount
- Credit Karma is a consumer finance and technology company that provides more than 20 million consumers with free access to their credit scores and free monitoring of their credit and financial accounts
- Google Capital is a growth equity fund backed by Google that invests in companies that use technology to change the way people experience the world

Significance of Transaction

- Credit Karma will use the new capital to invest heavily in new, free services to help consumers understand and manage their finances
- Additional capital also supports continued efforts to make finding and applying for new financial services products intelligent and seamless
- Credit Karma also plans on accelerating employee hiring in order to meet these goals

FT Partners' Role
