Axoni Raises \$32 million in Series B Financing

FT PARTNERS RESEARCH

Transaction Summary

Axoni is a New York based technology firm that specializes in distributed ledger infrastructure, whose clients include many of the world's largest financial institutions and capital markets infrastructure companies

Transaction Summary

- On August 14, 2018 Axoni announced it had raised a \$32 million Series B financing round led by Goldman Sachs and Nyca Partners
 - Other investors in the round include Andreessen Horowitz, Citi, Coatue Management, Digital Currency Group, F-Prime Capital, Franklin Templeton Investments, J.P. Morgan, NEX Group, Wells Fargo, and Y Combinator
- This brings Axoni's total funding to date to ~\$55 million
 - The \$20 million Series A in December 2016 was led by Wells Fargo and Euclid Opportunities
- Axoni will use this latest round of financing to enhance its data synchronization technology, expand its suite of infrastructure products to support mission-critical deployments, and broaden the network of enterprises leveraging distributed ledgers
- Since its founding in 2013, Axoni has established itself as a leader in blockchain technology through successful partnerships with top investment banks, asset managers, and market infrastructure companies

Transaction Commentary

"Our strategic partners have been critical to our success so far; we are delighted to strengthen and expand those relationships with this financing as we continue to deploy Axoni's technology."

Greg Schvey
CEO

"Axoni has established itself as a market leader in enterprise blockchain, delivering solutions that can be used at scale across financial markets. We are pleased to work with them as they execute their strategy."

Ashwin Gupta
Managing Director

"We believe Axoni has clearly become the leading enterprise blockchain company, and has executed in an impressive way on each of its major projects, all with top tier partners."

Hans Morris
Managing Partner

"The adoption of distributed ledger protocols in capital markets resembles the early days of adopting TCP/IP for distributed enterprise applications. We continue to be impressed with Axoni's ability to facilitate such adoption by identifying use cases that could benefit from blockchain technology."

FT Partners has advised on some of the most prominent and groundbreaking transactions in the Capital Markets and Wealth Technology sectors

FT Partners Advises Addepar on its Series D Financing

Overview of Transaction

- On June 8, 2017, Addepar announced it has raised \$140 million in Series D financing co-led by Harald McPike, the founder of QuantRes, along with Valor Equity Partners and 8VC
- Headquartered in Mountain View, CA, Addepar is a leading provider of portfolio management and reporting software and services that seeks to become the infrastructure that will connect all aspects of global finance
- Harald McPike is the founder of QuantRes, a quantitative trading firm, and a global private investor with a focus on the financial and technology sectors
- Valor Equity Partners is an operational growth investment firm that does both minority and majority investments in high growth companies at various stages of development
- 8VC is a venture capital firm that makes seed to later stage investments with a focus on the technology industry

Significance of Transaction

- The financing capitalizes on Addepar's unprecedented growth — from \$300 billion to over \$650 billion assets on platform in less than 18 months — as top wealth managers embraced Addepar's category-defining client reporting software
- With the new capital, Addepar will continue investing significantly in R&D, expanding its product, platform and tech-enabled services to unlock more value for its clients while also serving a wider range of wealth and asset management firms

FT Partners' Role

- FT Partners served as exclusive strategic and financial advisor to Addepar
- Transaction demonstrates FT Partners' continued leadership position as the "advisor of choice" to the highest quality FinTech companies as well as its deep domain expertise and experience in the WealthTech space
