Amount Raises \$100 million in Series D Financing

Transaction Summary

Transaction Summary

- On May 18, 2021, Amount announced it has raised \$100 million in Series D financing
 - The funding round was led by growth equity fund WestCap and included participation from Hanaco Ventures, Goldman Sachs, Invus Opportunities and Barclays Principal Investments
- According to the Company, this latest round values Amount at more than \$1 billion, which represents a 50% increase from its last round
- This round comes just five months after Amount's \$81 million Series C financing led by Goldman Sachs Growth and advised on by FT Partners (more details [here](#))
- Following this round, Amount's total capital raised has surpassed \$243 million
- Amount will use its new funding to accelerate hiring in product, tech and sales groups and for potential acquisitions to add new products or features to its platform
- Using Amount's technology, Barclays US Consumer Bank recently became one of the first major banks to offer installment point-of-sale options, giving merchants the ability to offer "white label" POS payments
- Amount's clients include financial institutions collectively managing nearly \$2 trillion in U.S. assets and servicing more than 50 million U.S. customers

Transaction Commentary

"The pandemic dramatically accelerated banks' interest in further digitizing the retail lending experience and offering additional buy now, pay later financing options with the rise of e-commerce. Banks are facing significant disruption risk from FinTech competitors, so an Amount partnership can deliver a world-class digital experience with significant go-to-market advantages." ⁽¹⁾

"The additional capital clearly demonstrates the value our investors see in Amount's ability to accelerate digital transformation in the banking and ecommerce industries through our robust retail banking suite and buy now, pay later platforms."

Adam Hughes
CEO

"[Financials Institutions have] a point-in-time opportunity to democratize access to traditional financial products by accelerating modernization efforts. Amount is the market leader in powering that change. Through its best-in-class products, Amount enables financial institutions to enhance and elevate the banking experience for their end customers and maintain a key competitive advantage in the marketplace." ⁽¹⁾

FT Partners Advises OakNorth on its Secondary Sale

Overview of Transaction

- In September and October 2020, existing shareholder Indiabulls Housing Finance Limited (“Indiabulls”) sold down a stake in OakNorth for more than \$270 million
 - Indiabulls, an Indian mortgage lender which acquired a 40% stake in OakNorth in 2015 and partially exited it in 2018, has now sold a large portion of its remaining stake
- With offices around the world, OakNorth is the next-generation artificial intelligence software business that combines a deep understanding of credit, dynamic data sets, cloud-computing and state of the art machine learning, to enable the commercial bank of the future
- OakNorth’s Credit Intelligence Suite was first proven within OakNorth Bank, a UK bank launched in September 2015, which has lent over \$5bn to British businesses, achieving performance metrics which place it amongst the top 1% of banks globally – an RORE of 22.3%, an efficiency ratio of 29.8%, an NPS of 82, and no credit losses to date
- The OakNorth Credit Intelligence Suite helps banks better understand their loan books and borrowers, and effectively stress test their portfolios. The result is more effective, better equipped Relationship, Risk and Transaction Managers, superior credit outcomes, improved efficiency, reduced risk, enhanced regulatory compliance and greater customer delight

Significance of Transaction

- The transaction further validates the OakNorth proposition and the growth potential of its technology in helping to close the estimated \$1.3 - \$1.5trn mid-market business funding gap

FT Partners’ Role

- FT Partners served as exclusive strategic and financial advisor to OakNorth and to Indiabulls

- On January 7, 2021, Mambu announced it has raised \$135 million of new capital in its Series D financing at a valuation of ~\$2 billion. The investment is led by TCV with participation from existing investors, including Acton Capital Partners, Bessemer Venture Partners, Runa Capital, as well as new investors Arena Holding and Tiger Global
- Mambu is a SaaS cloud banking platform empowering its customers to easily and flexibly build and expand their banking products. Mambu is the originator of the composable banking approach, which prioritizes rapid, flexible assembly of independent, best-for-purpose systems
- Since launching in May 2011, Mambu has grown its client portfolio to more than 160 banks, FinTech providers, and corporates across more than 50 countries

Significance of Transaction

- The transaction values Mambu at ~\$2 billion, underscoring the company's leadership position in redefining the global core banking technology market
- With this new round of financing, Mambu will continue to accelerate its rapid growth by deepening its footprint in the more than 50 countries in which it already operates and continuing to expand both the breadth and depth of its platform

FT Partners' Role

- FT Partners served as exclusive financial and strategic advisor to Mambu
- This transaction highlights FT Partners' deep domain expertise in a broad range of Banking Tech companies, as well as its successful track record generating highly favorable outcomes for high-growth, unicorn FinTech companies globally
