

# Track to crack

MAYBE WAIT FOR YOUR CHICKENS TO HATCH, WAY DOWN THE TRACK!

First, pick three companies. Then, each day get help to mark what one share of each company is worth on each egg—to see if the price is higher, or lower. Ask Mum or Dad why investing for the long term might smooth out ups and downs.

My name is \_\_\_\_\_ and my three picks are...

Start price   End price

Start price   End price

Start price   End price
