Elevations Foundation 6th Annual Golf Tournament

Presented by Neenan Archistruction

Elevations Foundation is proud to announce our sixth annual charity golf tournament, taking place on September 1st at the beautiful Colorado National Golf Course in Erie, CO. After a year in which the COVID-19 pandemic forced us to adapt, we plan to return to the tournament format this year under late summer Colorado sunshine.

The event will bring together community and business leaders for a day of great golf, delicious food and a variety of specialty contest holes, all benefiting the charitable work of Elevations Foundation.

We are happy to present the attached sponsorship opportunities. Our sponsorships offer high visibility and recognition before, during and after the tournament, and the chance to support the life-changing work of Elevations Foundation. Come join us!

Founded in 2010, Elevations Foundation is an independent 501(c)3 nonprofit organization that provides scholarships to college-bound high school seniors and community grants to nonprofits across Colorado's Front Range.

Elevations Foundation creates opportunities for a better community. By becoming a tournament sponsor, you will actively support our important work while gaining visibility for your organization.

We are eager to hear from you and feature your organization as an important supporter and sponsor of Elevations Foundation.

Sincerely,

Eric Lentz
Executive Director, Elevations Foundation

PS – a special thanks to existing sponsors for your loyalty and staying with us during an unprecedented year. It means the world to us.

2020 SCHOLARSHIP RECIPIENTS

Roman Garcia-Martinez

“Dreaming without fear means pushing through confined spaces; one for me is my socioeconomic status, I refuse to allow my status to impede me from pursuing higher education. The Elevations Foundation Scholarship will open doors to opportunities I thought were intangible”

Grace Braddock

“Despite COVID forcing me to attend college online my first year, I have still met so many amazing people virtually - both staff and students - and I feel I am learning so much. Without the Elevations Scholarship, I would have been unable to close the gap left by my school’s financial aid and would not be following my dreams in any of the same capacity that I am today.”

Dayanna Rosales

“I am in my first year at the University of Denver and so far it has been an amazing experience. As a first-generation student, this scholarship has helped me make the impossible possible. It has opened doors to new opportunities and experiences.”

COMMUNITY GRANT RECIPIENTS

WOW! Children’s Museum

“With generous support from Elevations Foundation, WOW! Children’s Museum was able to offer steeply discounted Play For All museum memberships to our underserved community members. Elevations Foundation has helped us ensure that income should never be a barrier to play!”

RISE Against Suicide

“Over the years, the Elevations Foundation grant has funded over 228 therapy sessions for young people struggling with suicidal thoughts; we could not provide this vital service without the generosity of foundations like Elevations, and we are incredibly grateful for their continued support.”

Healing Warriors Program

“The Elevations Foundation invested in 47 Veterans having hope for the future because of the generosity of grants for Healing Warriors Program suicide prevention services for veterans and their families. They have also gone above and beyond providing volunteer support to ensure our Network and technology equipment is up to date and secure.”
