

Elevations Foundation 8th Annual Golf Tournament

Presented by Neenan Archistruction and SHI International

Elevations Foundation is proud to announce our 8th annual charity golf tournament, taking place on August 30th at the beautiful Colorado National Golf Course in Erie, CO. The event will bring together community and business leaders for a day of great golf, delicious food and a variety of specialty contest holes, all benefiting the charitable work of Elevations Foundation.

Founded in 2010, Elevations Foundation is an independent 501(c)3 nonprofit organization providing scholarships to college- or trade school-bound high school seniors and community grants to nonprofits across Colorado's Front Range. By becoming a tournament sponsor, you will actively support our important work while gaining visibility for your organization.

We are happy to present the attached sponsorship opportunities. Our sponsorships offer high visibility and recognition before, during and after the tournament, as well as the chance to support the life-changing work of Elevations Foundation.

Come join us!

Wednesday | August 30th, 2023 | 8:00am Shotgun Start

Scholarship Recipients

I realize that being awarded a scholarship is a representation of the trust an organization has with my abilities and I will honor that through my relentless pursuit to create meaningful impact in the world. Combined with my unyielding determination and the financial support from the Elevations Foundation Scholarship, I know that I will create a change for a more united and fair society.”

– Jasmin Storer

“This accomplishment of earning a degree in a field I like will show future generations that we can achieve great things despite our identity as immigrants. I hope to be a role model for other low income LGBTQ students of color who are the first in their families to pursue an education.”

– Sergio Acosta

“As a first-gen, Latina student it is essential for me to value my sacrifices and stand out through resilience and willpower. Education will empower me to utilize my voice to stand up for the greater good. I want to help create a better world where everyone would be judged upon their character and not their color, ethnicity, or national origin.”

– Yamilet Espinoza Nuñez

Community Grants

RECOVERY CAFÉ LONGMONT

“...is deeply grateful for the continued support of Elevations Foundation in providing the funds necessary to strengthen our community of refuge and healing for people in recovery. In receiving a grant you become a part of the Elevations family you're welcomed into the community at a grant reception where you have the opportunity to celebrate the Foundation's good work along with fellow grantees. Elevations goes beyond simply providing funding by also promoting the Café in their social media and providing training opportunities to nonprofit staff to enable them to continue their work towards improving the quality of life for everyone in our community.”

COTTONWOOD INSTITUTE

“...was thrilled to receive a grant to help approximately 225 under resourced middle and high school students in the Colorado Front Range. Our mission is to connect under resourced middle and high school students to nature and inspire them to protect it. We would not be able to provide life-changing programs for our students without the support from amazing community partners like Elevations Foundation.”

Elevations Foundation Focus Areas —

COMMUNITY RELIEF IN TIMES OF DISASTER

When disasters strike credit union communities, Elevations Foundation is there to help. Over the last two years, our community pulled together to raise nearly \$2 million to support the victims of the King Soopers tragedy and the Marshall Fire.

SCHOLARSHIPS FOR HIGHER EDUCATION

Scholarships to local graduating high school seniors in their pursuit of higher education.

MENTAL HEALTH

We seek to enhance our community's health and wellness by supporting efforts to improve access to mental health care.

EARLY CHILDHOOD DEVELOPMENT

We seek to close the achievement gap by supporting efforts to improve early childhood development and school readiness initiatives.

ENVIRONMENTAL EDUCATION AND SUSTAINABILITY

We support efforts that educate the public on sustainability and environmental impacts.
