Elevations Foundation 7th Annual Golf Tournament

Presented by Neenan Archistruction and SHI International

Elevations Foundation is proud to announce our 7th annual charity golf tournament, taking place on August 31st at the beautiful Colorado National Golf Course in Erie, CO.

The event will bring together community and business leaders for a day of great golf, delicious food and a variety of specialty contest holes, all benefiting the charitable work of Elevations Foundation.

Founded in 2010, Elevations Foundation is an independent 501(c)3 nonprofit organization providing scholarships to college-bound high school seniors and community grants to nonprofits across Colorado's Front Range. By becoming a tournament sponsor, you will actively support our important work while gaining visibility for your organization.

We are happy to present the attached sponsorship opportunities. Our sponsorships offer high visibility and recognition before, during and after the tournament, as well as the chance to support the life-changing work of Elevations Foundation.

From Our Community

2021 SCHOLARSHIP RECIPIENTS

Jasmin Storer

"I realize that being awarded a scholarship is a representation of the trust an organization has with my abilities and I will honor that through my relentless pursuit to create meaningful impact in the world. Combined with my unyielding determination and the financial support from the Elevations Foundation Scholarship, I know that I will create a change for a more united and fair society."

Sergio Acosta

"This accomplishment of earning a degree in a field I like will show future generations that we can achieve great things despite our identity as immigrants. I hope to be a role model for other low-income LGBTQ students of color who are the first in their families to pursue an education."

Yamilet Espinoza Nuñez

"As a first-gen, Latina student it is essential for me to value my sacrifices and stand out through resilience and willpower. Education will empower me to utilize my voice to stand up for the greater good. I want to help create a better world where everyone would be judged upon their character and not their color, ethnicity, or national origin."

COMMUNITY GRANT RECIPIENTS

Alliance for Suicide Prevention of Larimer County

"Elevations Foundation has had an incredible impact in furthering our mission. Not only has their general operating financial assistance allowed us to fill gaps where they are needed most, but they also connected us to other community partners and individuals that attended our suicide prevention training. We are so happy to receive their support and partner with them to continue to prevent suicide in our region."

Cottonwood Institute

"Cottonwood Institute was thrilled to receive a grant to help approximately 225 under-resourced middle and high school students in the Colorado Front Range. Our mission is to connect under-resourced middle and high school students to nature and inspire them to protect it. We would not be able to provide life-changing programs for our students without the support from amazing community partners like Elevations Foundation."
