1. Definitions: These Program Terms, Conditions and Disclosures ("Terms and Conditions") set forth the terms and conditions under which you may use the Elevations Credit Union Health Savings Account Debit Card ("Card"). The Card is issued to you by Elevations Credit Union. (also referred to in these Terms and Conditions as "Credit Union" and "us"). Credit Union is the custodian of your Credit Union Health Savings Account ("HSA") as referenced in your HSA Trust Application Packet ("HSA Trust Application Packet"). In these Terms and Conditions, the words "you" and "your" refer to the person to whom the Card is issued and any other person who you authorize to use the Card. If the program allows additional Cards to be issued and you authorize the Credit Union to issue an additional Card in the name of another person, "you" or "your" refers to that person as well.

The Card will be issued to you upon receipt and processing of your Enrollment Form from the HSA Trust Application Packet. You must sign the Card before using it. By receiving and using the Card, you agree with the Credit Union that the Card, and the money or funds stored in the “Card Account” (your checking account), which is the Credit Union HSA account into which all funds transfers made to or by you are made, are subject to these Terms and Conditions. You further agree to the terms and conditions of the Credit Union HSA Custodial Account Agreement included in your HSA Trust Application Packet. The Card may be offered to you through an intermediary (such as an employer, health care plan administrator and/or insurance company, or government agency). The intermediary is not the issuer of the Card and is not responsible for your Card or your use of the Card. The Credit Union in its sole discretion may refuse to issue the Card to anyone.

2. Terms, Conditions and Limitations of Your Relationship with the Credit Union. The terms and conditions of your Membership and Account Agreement are incorporated herein as though repeated verbatim. Transactions on your account may also be governed by agreements with third parties such as NACHA’s (The National Automated Clearing House Association) Operating Rules and Visa’s Operating Rules which agreements will also be binding upon you and the Credit Union. To the extent that the terms of any such third party agreements provide for specific processing, reporting or other time periods, or require you to make any claims or provide any notifications or responses, then the third parties’ requirements and rules shall govern despite any other general or specific terms or conditions set forth in the entirety of this Agreement.

3. Deposits. Deposits to your Card Account will be made in accordance with the provisions in the HSA Trust Application Packet and in your Enrollment Form.

4. Card Use. You agree that you will maintain the security of your Card at all times, keep it in a safe place and not give your Card, or make it available, to any other person. You are responsible for all withdrawals and purchases you authorize using your Card. If you permit other persons to use your Card, you are responsible for any transactions they authorize from your Card Account. You understand and agree that your use of your Card and the Card Account shall be consistent with the requirements of health savings accounts as specified in Section 213(d) of the Internal Revenue Code. Neither the Credit Union, nor your employer, the health care plan administrator and/or insurance company, nor any other person other than you shall be responsible for, control or otherwise monitor your use of your Card or the Card Account.

a. ATM Transactions. If your HSA program allows, you may use your Card at any automated teller machines ("Credit Union ATMs") or at the ATMs of other financial institutions with which the Credit Union has agreements permitting such use (referred to in this Agreement as “Network Agreements,” and a machine covered by any such agreement is referred to as a “Network ATM”) by using the personal identification number ("PIN") you have selected. The service mark of Network ATMs can be found on the back of your Card. To protect against unauthorized use of your Card, do not write your PIN on your Card or keep your PIN in the same place as your Card. You may use your Card, along with your PIN, at ATMs to: (i) withdraw cash from your Card Account, or (ii) learn the balance in your Card Account.

b. Purchase Transactions. If your HSA program allows, you may use your Card to purchase goods and services from participating merchant(s) displaying the service mark of any network that appears on the back of your Card by using your PIN (each a “PIN Purchase Transaction”). When a PIN Purchase Transaction is made there will be an immediate electronic withdrawal from your Card Account. If your Card bears the applicable Card association debit brand mark, you may make purchases at participating merchant(s) that accept the applicable Card association’s debit (each a “Signature Purchase Transaction”). These transactions may require your signature on the merchant’s receipt.
Generally, we will place a hold on funds in your Card Account at the time a Signature Purchase Transaction is authorized. Signature Purchase Transactions and PIN Purchase Transactions together are referred to as “Purchase Transactions.”

5. Cash from Tellers. If your HSA program allows and your Card bears the applicable Card association’s Debit Card mark, you may use your Card to obtain cash from tellers at Credit Union or certain other financial institutions. Such withdrawals, however, may require Credit Union approval. Such approvals are referred to in this Agreement as “Authorizations.” Credit Union may limit the number of Authorizations provided to you each day as, for example, where called for by the procedures used to safeguard your Card Account. If for any reason the financial institution requesting the authorization is not able to contact us, or we are not able to respond to it for any reason, you may not be able to complete the transaction even though it would not exceed your available balance or the limitations contained in these Terms and Conditions.

6. Overdrafts. If you do withdraw more than the amount in your Card Account, whether or not that overdraft is authorized, the amount you withdraw that exceeds the amount in your Card Account will create a negative balance in your Card Account and will result in a fee as published in the Credit Unions Fee Schedule. We will deduct the amount of any overdraft then outstanding from your next deposit(s) and you agree that we may do so and hereby authorize us to do so. The amount we will deposit in your Card Account for you therefore will equal the amount you would have received MINUS the amount of that overdraft. If there are no more credits to your Card Account after a negative balance is created, you shall pay us the amount of the overdraft within ten (10) days after the overdraft is created.

7. Certain Limitations on Card Use. Use of your Card and the privileges associated with it can be cancelled by Credit Union at any time for any reason and without prior notice to you. The Card remains Credit Union’s property and if we ask you to, you must return it to Credit Union, cut in half. Additionally, the Credit Union reserves the right to at any time deny the issuance of a Card or terminate an existing Card for any authorized user that is not in good standing with the Credit Union or otherwise eligible to do business with the Credit Union. Daily withdrawal and purchasing limits will apply to the use of your Card. Types of transactions that may have pre-set daily transaction limits include withdrawals from ATMs, Signature Purchase Transactions or PIN Purchase Transactions at merchants that accept the Card, purchases and cash-back transactions and over-the-counter cash withdrawals. These transactions, as well as others not described here, may be subject to transaction limits controlled by the Credit Union as well as other third parties. These limits are subject to change. Operators of the Network ATMs may also limit the number of withdrawals you may make from their ATMs in any one day. They may also limit the amount of cash you may withdraw from their ATMs during any one session, any one day, or both. Some merchants will not allow “split payments” for transactions; that is, some merchants will not allow you to pay for goods or services by paying for them in part with cash and in part by using the Card.

8. Fees. You authorize the Credit Union to charge your Card Account – without notifying you – for the fees described in your HSA Trust Application Packet, Fee Schedule, or any other documents provided to you by the Credit Union. A fee will be assessed when there are insufficient funds in your account to process a preauthorized payment, ATM withdrawals, or Point of Sale Debit Card transactions as set forth in the Fee Schedule. Please see the HSA Trust Application Packet, Fee Schedule, or any other documents provided to you by the Credit Union for a complete listing of related fees. You may be charged fees by Network ATM operators or other third parties over whom we have no control when you use your Card at Network ATMs or when you make Purchase Transactions. You agree that the Credit Union may increase or otherwise change those fees or other terms included in these Terms and Conditions, and may impose other fees, at any time by notifying you of such increase, change or imposition at least thirty (30) days in advance and that, if the Credit Union does so, your Fee Schedule and/or these Terms and Conditions shall be deemed amended accordingly. You agree that if you leave the employment of your current employer or if you are no longer covered under a high-deductible health plan, the fees for the use of your Card and the Card Account may change. You agree that an acceptable means of notifying you of any change to these Terms and Conditions including a change to your Fee Schedule shall include written notification to the last address as shown on the records of the Credit Union, notification via the e-mail address as shown on the records of the Credit Union or via the website specified with your Card (“Website”).

9. Transactions Made in Foreign Currencies. Additional Charges for Transactions in a Foreign Currency and “Cross-Border” Transactions. Currency Conversion Fee: If you effect or authorize a transaction with your access device in a currency other than US Dollars, VISA will convert the charge into a US Dollar amount. The VISA currency conversion procedure includes use of either a government mandated exchange rate, or a wholesale exchange rate selected by VISA, as applicable. The exchange rate VISA uses will be a rate in effect at the time the transaction is processed. This rate may differ from the rate in effect on the date of the purchase or the date the transaction was posted to your account. A Currency Conversion Fee of up to 1% will be applied to transactions that are converted from foreign currencies to U.S. dollars. Cross-Border Transaction Fee: In addition, VISA charges us a Cross-Border Assessment up to 1% on each transaction on all cross border transactions regardless of whether there is a currency conversion. For purposes of this Section, “cross-border transaction” shall include both (a) transactions initiated in a foreign country which are subsequently settled in the United States, and (b) transactions initiated
in the United States but which are ultimately settled in a
country outside of the United States. The Credit Union
will assess these fees to you to reimburse it for the fee it
is required to pay for each of your transactions subject to
these terms. The Cross-Border transaction fee will be
shown separately on your periodic billing statement. The
Currency Conversion Fee, if it applies to the transaction,
will be included in the transaction amount posted on your
statement.

10. Protection Under Visa’s Zero Liability Policy: These
terms apply only to Signature Based transactions
The Visa’s Zero Liability Policy shall protect the
cardholder against unauthorized Credit Union
transactions that may be made with an Access Device
“IF” the transaction(s) are processed as a signature
based transaction (does not include pin-based
transactions) through the VISA Network. Visa’s Zero
Liability Policy covers U.S. issued Cards only and does
not apply to commercial transactions not processed
directly via the VISA Network. Visa Debit Card
transactions not approved by a PIN might be
processed through non-Visa Debit networks that offer
the PIN-less service and may not be processed as Visa
transactions. Visa Debit Card transactions not
approved by a PIN and processed through non-Visa
Debit networks do not include the benefits provided by
Visa (e.g. zero liability, $50 consumer loss cap,
provisional credit policies of Visa, and the Visa
chargeback and dispute resolution). If there is an
unauthorized Visa Debit Card transaction made without
a PIN “access code”, and the transaction takes place
on the VISA network, then your liability will be zero
($0.00); if you notify us promptly of your lost or stolen
Card, provided you were not grossly negligent or
fraudulent in handling your Card and you provide us
with a written statement regarding your unauthorized
Card claim, otherwise the following liability limits will
apply. For all other EFT transactions, if you tell us
within two (2) business days, you can lose no more
than $50 if someone accessed your account without
your permission. If any Access Device(s) have been
lost or stolen, cardholder may not be responsible for
any unauthorized purchases if the theft is reported
promptly. Upon notification of unauthorized HSA Debit
transactions, the Credit Union shall limit liability for
those transactions to zero unless the cardholder is
found to have been negligent in the handling of it’s
HSA Debit Card, (b) other reasons exist which justify
the cardholder should be liable. The Credit Union
requires such notification to be received within 60
calendar days of the mailing date of the FIRST
statement showing any unauthorized VISA Network
transaction(s). In evaluating the claim, Credit Union
shall consider whether negligence on the cardholder’s
part has contributed to the transaction(s) in question.
Cardholder may be responsible for a loss if, based on
substantial evidence, it is reasonably determined that
the cardholder was negligent or fraudulent in the
handling of any Access Devices or account. Credit
Union may provide the cardholder with provisional
credit for unauthorized VISA Network transactions
within a reasonable time from receipt of notification.
Additionally, Credit Union may require written
confirmation of the unauthorized VISA Network
transactions before providing any provisional credit.

11. Non-Visa Network Transactions. Merchants must
provide you with a clear way of choosing to make a
Visa Debit Card transaction if they support PIN-less
service. Please be advised that should you choose to
use STAR, Plus, Master Card, Discover, Maestro,
Discover, American Express or Cirrus when making a
transaction without a PIN, different terms may apply
and you may not be eligible for rewards. Certain
protections and rights applicable only to Visa Debit
Card transactions as described in your cardholder
agreement will not apply to transactions processed on
non-Visa networks. Please refer to section 10:
Protection Under Visa’s Zero Liability Policy: These
terms apply only to Signature Based transactions
conducted via the VISA Network.

12. Account Information Disclosure. Credit Union will
do not disclose information about the use of your Card
and about your Card Account, or the transfers you make, to
third parties except that you hereby authorize Credit
Union to share any such information with your
employer, any health care plan administrator and/or
insurance company, and as otherwise provided in the
Credit Union’s Agreements and/or Privacy Policy.

13. Written Records. If your HSA program allows, you
may receive a periodic paper statement about the
activity in your Card Account and a fee may apply. You
may have requested on the HSA Enrollment Form that
we not provide you with a periodic Card Account
statement. In that case, you will not be charged the
monthly statement fee. To get transaction details, you
can view your transaction history online at the Website
or you can call the Credit Union. To access your
electronic account record, you need access to the
Internet with commercially available browsers or a
telephone. At any time you can request that paper
statements be mailed on a periodic basis to your last
address on file by calling Customer Support. If you do
so, the same monthly fee will apply. Also, if you select
the option to suppress your periodic Card Account
statement, you can still obtain a paper copy of a
particular statement by calling Customer Support. A
statement copy fee may apply.

14. Replaced or Reissued Cards. If you provide
authorization to a merchant to bill charges on a
recurring basis to your Card Account, and if a
replacement Card or a reissued Card has been issued
to you, you must provide that merchant with your new
Card Account number and/or expiration date in order to
permit the merchant to continue to bill the recurring
charges to your Card Account. If a merchant has an
arrangement with the Credit Union or one of its
affiliates, then we may provide such merchant with your
Card status, Card Account number, and/or expiration
date in order to permit the merchant to continue to bill the recurring charges to your Card Account until you notify us and the merchant that you have withdrawn your authorization.

or render unenforceable such provisions in any other
jurisdiction. Funds in the Card Account are insured by
the NCUA up to the amount provided by applicable law.
