

# UCHICAGO SUMMER ENRICHMENT PROGRAMS

## Applications for the University of Chicago's Summer Session are now open!

### 1 Week Enrichment

Whether it be leadership, civil discourse, analysis of complex problems, or to engage in the liberal arts, enrichment programs give pre-college students a window into the unique culture of inquiry and discourse at the University of Chicago.

Students selected for each of the enrichment programs will be invited to reside on-campus to participate in discussions, workshops, and excursions. Students will share experiences and form friendships, while learning about the highly selective admissions process and preparing for college and career success.

Our enrichment programs are non-credit, typically one week (or shorter) in length, and provide substantial funding to cover most costs, which can cover the program fee and transportation costs, for participants.

#### Enrichment programs include:

|  |                                    |
|--|------------------------------------|
| Emerging Rural Leaders I                 | Parrhesia Ambassador Program       |
| Emerging Rural Leaders II                | Quantum Quickstart                 |
| Emerging World Leaders                   | Woodson Summer Scholars            |
| Neubauer Family Adelante Summer Scholars | Young Innovators: Climate & Energy |
| Neubauer Phoenix STEM Scholars           | Young Innovators Program           |

### Explore UChicago and Beyond

During their stay on campus, students will live in the UChicago house community with a team of Summer Session staff and undergraduate Residential Assistants who are excited to introduce them to UChicago and the city they call home. Excursions and activities are part of the program at no additional cost, and have included:

- Discovering all Chicago has to offer, from the sky-scraping skylines of the Architectural Boat Tour to the masterpieces of the Art Institute of Chicago.
- Diving into the world of politics and civic debate at the renowned nonpartisan University of Chicago Institute of Politics
- Learning about "yes, and..." through an improv comedy workshop with the famed Second City Improv Troupe

"The Neubauer Adelante program was an invigorating experience that allowed me to get a taste of the college experience and meet so many new people! I had such a fun experience exploring the UChicago campus and meeting up with my friends for meals in the dining hall. I learned so much about UChicago (and college in general) during this program. It was truly an insightful experience and I'm so grateful to have been given this opportunity."

-Emma P., 2024 Neubauer Family Adelante Summer Scholar

In addition to these enrichment programs, Summer Session is proud to offer over **70 different academic courses** and **need-based financial aid** for all current high school freshmen, sophomores, and juniors who are at least 14 years old.

#### Cost

\$2500. Significant financial support is available for all 1 Week Enrichment programs.

#### Apply

Applications are due by **March 5, 2025**. More information about the application and admissions process for enrichment programs can be found online at: [summer.uchicago.edu/enrichment](https://summer.uchicago.edu/enrichment).
