Transfer Early Decision Agreement

The Transfer Early Decision Agreement is required **only** if you have chosen to apply via the binding Transfer Early Decision Plan to the University of Chicago.

Applicant Information:

Student Name_____ Date of Birth_____

UChicago Application ID/Reference #_____

Current University or College (or most recent) Name_____ CEEB_____

Guidelines for applying under a binding early decision process have been defined by the National Association for College Admission Counseling's Statement of Principles and Good Practices:

"Early Decision (ED) is the application process in which students make a commitment to a first-choice institution where, if admitted, they definitely will enroll. While pursuing admission under an Early Decision plan, students may apply to other institutions, but may have only one Early Decision application pending at any time. Should a student who applies for financial aid not be offered a package that makes attendance possible, the student may decline the offer of admission and be released from the Early Decision commitment. The institution must notify the applicant of the decision within a reasonable and clearly stated period of time after the Early Decision deadline. Usually, a nonrefundable deposit must be made well in advance of May 1.

The institution will respond to an application for financial aid at or near the time of an offer of admission. Institutions with Early Decision plans may restrict students from applying to other early plans. Institutions will clearly articulate their specific policies in their Early Decision agreement."

If you are accepted under the Early Decision plan to transfer to UChicago, we ask that you immediately withdraw transfer applications submitted to other colleges upon receipt of your credit evaluation and make no additional transfer applications to any other college in any country. If you are an Early Decision candidate and are seeking financial aid, you do not need to withdraw other applications until you have received notification about both your credit evaluation and financial aid from the University of Chicago.
