RAIL & FLY

If you are booking a Mein Schiff package including an international flight from/to an airport in Germany (incl. Basel), the Rail & Fly 2nd Class voucher codes are already included in your package price if you booked PRO or PLUS tariff. For Business Class guests, a voucher for 1st class is included. For guests who booked PUR tariff, the Rail & Fly vouchers are available for a surcharge. When booking the PUR tariff, Rail & Fly is available for a surcharge.

NOTES

- Children (6 months-14 years) travel free-of-charge when accompanied by an adult. This applies as well for 1st class tickets.
- Please make your seat reservations at your local DB sales outlet, online at www.bahn.de or during the redemption process for your voucher in your personal My Cruise account.

UPGRADE WITH YOUR RAIL & FLY 1ST CLASS TICKET

When booking a flight in Business Class, you receive the free-of-charge Rail & Fly service for the Deutsche Bahn AG in 1st class including additional service. If you booked your flight in Premium-Economy or Economy-Class, you can book your 1st class train ticket for a surcharge.
While you are waiting at the station, make use of the DB Lounge (if available) with elegant seating areas, a selection of inclusive drinks, newspapers and TV news. On the train, simply enjoy the at-seat service in 1st class. There you will receive your drinks and food at your seat (charge applies).

GENERAL NOTES - RAIL & FLY

In co-operation with Deutsche Bahn AG, we offer you a convenient arrival service.

- The Rail & Fly tickets are valid on local and long-distance trains and on selected non-federally owned railways (NE-Bahnen). You can find further information on the scope of validity of the ticket at **www.bahnanreise.de/geltungsbereich**.
- This service does not apply to departures that cannot be reached via the Deutsche Bahn AG rail network. For exceptions, see transfer connections at **www.meinschiff.com/en/arrival-and-departure/train**.
- The DB ticket entitles the holder to travel on all trains and on all Deutsche Bahn AG routes in the carriage class specified on the ticket. Including authorization to travel on ICE, EC and IC trains.
- The tickets are not valid on routes operated by private railway companies (not federal railways), on the Thalys and on special trains.
- For departures from EuroAirport Basel, the rail route Basel Bad Bahnhof - Basel SBB is included.
- For departures from Salzburg Airport, journeys to Salzburg Main Railway Station are included in the Deutsche Bahn AG Rail & Fly ticket. The transfer from the railway station to the airport is to be paid by the customer.
- The Rail & Fly ticket is not valid for departures from other foreign airports, nor for the domestic German route to the border. For guests travelling from abroad via TUI Cruises,
  Rail & Fly ticket from the German border applies for departures from German airports.
- The Rail & Fly voucher code entitles the holder to travel 1 day before departure, on the day of departure itself or on the day of return and one day afterwards. After redeeming the voucher code for a ticket, you are committed to the day of travel that you select when booking the train. However, the ticket remains flexible on this selected day - any connection on the booked route can be used (train A or B). Book your seat upon departure online at www.bahn.de/sitzplatzreservierung, your local DB sales outlet or during the redemption process for your voucher codes at **www.meinschiff.com/en/arrival-and-departure/train** reservation fee is based on the current Deutsche Bahn AG tariff and applies to a maximum of two trains (one connection reservation).
- We strongly recommend that you plan enough time for your journey by train and ensure that you have a sufficient time buffer. Particularly in times of special weather and traffic conditions, your train journey may be subject to major delays. You should choose your connection so that the departure airport is reached in good time, at least 3 hours before departure. Please note that you are responsible for getting to the airport on time. TUI Cruises assumes no liability for delays.
- Your Rail & Fly voucher codes will be made available to you in your personal Meine Reise account under the rubric Arrival & Departure. You must redeem them for tickets using the link provided. DB tickets are checked and scanned by the train crew, but remain with your documents.
- You can get timetable information on the internet at **www.bahn.de**.
- From abroad, you can reach the DB Travel Service by calling +49 30 2970 (local rate, tariff according to provider).

RAIL & CRUISE

In cooperation with Deutsche Bahn AG, you can travel in comfort to the cruise ship from any Deutsche Bahn AG station with the rail connection of your choice.
In co-operation with Deutsche Bahn, we offer you the Flexpreis Touristik cruise ticket. You can choose between 1st and 2nd class when booking.

The Flexpreis Touristik cruise ticket entitles the passengers to travel:

- On long distance trains with the ICE, ECE, TGV, railjet express, railjet, IC and EC
- On regional trains with the IRE, RE, RB or S-Bahn as well as selected NE trains

You can receive further information on the scope of validity of the ticket at **www.bahnanreise.de/geltungsbereich**

The city ticket is included in the price - both at the starting point and at the destination. Whether you are travelling from your front door to the railway station or from the railway station to the port: you no longer need an additional ticket in the respective town/city.

For guests travelling by train to Bremerhaven, Hamburg, Kiel and Warnemunde,TUI Cruises offers a shuttle transfer from the main railway station to the ship during the official arrival time. On the day of departure, the shuttle bus runs from the ship back to the respective main railway station during the departure time. Please note that disembarkation takes place about 1.5 - 2 hours after the ship's arrival. Please take this into account when planning your train ticket for departure.

Please note that early check-in is not included in the Rail & Cruise ticket. However, if you would like to board the ship earlier, you are welcome to reserve an early check-in at **meinereisen.meinschiff.com/en.**

With the "Rail & Cruise" offer, you make an important contribution to climate protection, as carbon dioxide emissions are avoided from the outset for long distance DB trains in Germany.
This means zero emissions instead of compensation! The electricity is generated from 100% renewable energy sources in Germany and fed into the rail electricity network.

General notes

Please note that our flight connections are designed to make it as easy as possible for you to travel to and from the port of your cruise. When selecting airlines, we take a number of factors into account - first and foremost safety and the selection of routes offered. It may well be that we are not able to offer you your preferred connection or airline exclusively. Due to the changed situation in the airline market, we ask for your understanding that we cannot guarantee a uniform service offer on board the airlines, as this is beyond our control and varies according to provider.

BOOKING CLASSES

Depending on the flight destination, it is also possible to book seats in Premium Economy or Business Class. For detailed information, please contact your travel agent or see **www.meinschiff.com/en/arrival-and-departure**.

FLIGHT TIMES AND AIRLINES

You will receive the exact information about the operating airline about 4 months before departure and at the latest with the travel documents. Depending on the flight plan, the departures may take place either early in the morning or during the late evening. Departures/arrivals can differ by one day from the travel day printed in the brochure, owing to the time difference. Please note that some flights involve changing planes for a connection or flights with an intermediate stop. We reserve the right to make changes to the flight plan; we will inform you in good time about relevant changes. All guests must arrive at the airport in good time and with enough time to spare. Use the automatic check-in machines at the airports. Confirmation of your returning flight will take place on board through our on board Guest Relations service.

LUGGAGE AND HAND LUGGAGE

The free baggage allowance, hand baggage allowance and other regulations of the operating airline apply. You can find exact details on your airline's website. The taking of sports and special luggage and other excess luggage is subject to a charge on all flights and must be registered in advance.
You can find further information on how to register luggage in the flight information at **www.meinschiff.com/en/arrival-and-departure**.

INDIVIDUAL ARRIVAL AND DEPARTURE

If the arrival and departure flights were not booked via TUI Cruises, we assume no liability in the event of cancellation of the flights or the cruise. ***

SEAT RESERVATION

Seat reservations are possible on most of our flight connections. You can find out if this is possible and how you can make a seat reservation at **www.meinschiff.com/en/arrival-and-departure**.

SPECIAL DIET

Special diets, e.g. for vegetarians, can be registered by many airlines for a surcharge. You can find out more information via your travel agency, at **www.meinschiff.com/en/arrival-and-departure** or in your Meine Reisen Login as soon as the flight information is published.

FREQUENT FLYER PROGRAMMES

If you are a member of the frequent flyer program of your booked airline, present your card at the check-in of the respective flight. Your mileage credit will be checked here.

CHECK-IN THE NIGHT BEFORE

If you are departing in the early hours of the morning, many airlines allow you to check in your luggage the evening before departure - a very relaxed option. This service may be subject to a charge. You can find out more information from the booked airline directly.

LUGGAGE SERVICE

Our service partner TEFRA Travel Logistics offers you the following luggage service for Germany, Austria and Switzerland so that your holiday can already begin before you leave home: No mater how you travel to the ship, whether by car, bus, train or plane: You no longer have to carry heavy suitcases. Depending on the port of departure and destination of your cruise, your luggage will be transported from your front door to the departure airport or even directly to the ship and from there back home at the end of the cruise. Direct delivery and collection of your luggage to and from the ship is possible in all German ports (Bremerhaven, Kiel, Hamburg, Warnemunde - order 4 days before departure) as well as in Las Palmas (Gran Canaria), Santa Cruz (Tenerife) and Palma de Mallorca (Mallorca). Delivery and collection to and from the departure airport (with meeting point in front of check-in or at the luggage carousel is also possible for the German airports Berlin, Dusseldorf, Frankfurt a. M. and Munich.
Payment for the luggage service for arrival and departure takes place for you very easily and cash-free by bank transfer or credit card after the service has been carried out. Please book the luggage service for arrival and departure up to 9 working days before departure directly with TEFRA Travel Logistics on the tollfree number 0800 500 23 52 or at www.reisen- ohne-gepaeck.de. You will receive further information with your travel documents or at
www.meinschiff.com/en/arrival-and-departure/luggage-service

* Infants who turn 2 years old during the journey require a seat (charge applies) at the basic child fare for both the outbound and return flights. | ** For children from 2 to 11 years of age; the age at the start of the journey is decisive for the basic child price. | *** Does not apply to the package for individual flight arrival and departure.
