IDEA Commitments in Syria

In September 2025, IDEA committed **\$50M** over five years to support nearly two million Syrian refugee and internally displaced returnees and their host communities.

The initiative will support wide-ranging interventions focused on healthcare, food security, education, and inclusive economic recovery. IDEA has also partnered with the Project Commission on Urgent Relief and Equipment (Project C.U.R.E.) and will support health facilities throughout the country with at least **\$100M** in critically needed medical equipment and supplies over five years.

IDEA-Supported Work

--------------------------------	---	--

IDEA is supporting improved access to safe, inclusive, and functional learning environments for children in Syria by providing new furniture to 50 schools and rehabilitating 19 schools across Damascus, Rural Damascus, Daraa, Deir ez-Zor, Hama, Aleppo, and Idlib Governorates.

Strengthening Rehabilitation Centers in Damascus

Project cost: \$2.5M	Timeline: Dec. 2025 - Nov. 2027	Target served: 470 children
--------------------------------	---	---------------------------------------

IDEA aims to enhance the infrastructure and services of the boys and girls juvenile centers in Damascus by supporting their transformation into safe, inclusive, and well-equipped environments that promote educational, psychological, and vocational empowerment. Support for children in these centers includes access to psychosocial support, vocational training, winter attire, and more.

Access to Proper Shelter

Housing Rehabilitation for Vulnerable Households in Syria

Project cost: \$4.3M	Timeline: May 2026 - Apr. 2027	Target served: 5,250 people
--------------------------------	--	---------------------------------------

To enhance the safety, dignity, and resilience of returnee and host communities, IDEA will support rehabilitation of damaged housing and support 1,000 vulnerable households with addressing housing, land, and property concerns in order to achieve safe, secure, and sustainable living conditions.

Orphan Support

Orphan Family Support in Syria (Istidāmah)

Project cost: \$698K	Timeline: Feb. 2026 - May 2027	Target served: 1,100 children and their caregivers
--------------------------------	--	--

IDEA aims to ensure 800 sponsored orphans and their caregivers in Syria are holistically assisted through a comprehensive sponsorship program and the provision of healthcare check-ups, psychosocial and educational support, and tailored assistance for caregivers.

Orphan Sponsorship in Syria (Barakah Project)

Project cost: \$1M	Timeline: Oct. 2025 - Oct. 2026	Target served: 1,000 children
------------------------------	---	---

IDEA is providing \$80/month in direct sponsorship distributed on a quarterly basis to 1,000 orphans across Syria for 12 months. This program supports essential needs, including healthcare, nutrition, education, and overall well-being for orphaned children.

Past Work

Sanad 2 (Ramadan Initiative)

Project cost: \$999K	Timeline: Feb. 2026 - Mar. 2026	Target served: 68,251 people
--------------------------------	---	--
