

Let's Make It

StoryBots Pencil Holder

Have fun making
all your StoryBot
characters here!

10

1

Put a drop of glue at the top and bottom of the can and wrap the can with yarn. Use glue as needed to hold the yarn in place.

2

Add a drop of glue on the back of each googly eye and place each eye inside a bottle cap.

3

Place a drop of glue on the back of the bottle caps, then place the two bottle caps at the top of the can.

4

Cut two strips of craft foam to make eyebrows and glue each eyebrow (at a slanted angle) to the bottle caps.

5

Put a drop of glue on the back of the can. Wrap the pipe cleaner around the can, bending the front ends to make arms.

11

Supplies
