

NETFLIX Family

Waterless Snow Globe

Supplies

- An empty snow globe from the craft store or a glass jar with a lid
- Toy or print out of your favorite Netflix character
- Photos of YOU!
- Cotton balls for fake snow
- Mini Christmas tree
- Little gems to glue on the Christmas tree
- Hot glue gun
- Washi tape

1 Choose your Figurines and Photos

Select a photo of you, a family member, or a friend, and select other decorations and figurines to include in your snow globe.

2 Glue the Figurines

Apply glue to the base of each cutout and figurine. Press them firmly onto the inside of the jar lid. Let the glue dry completely.

3 Add Fake Snow and Other Decorations

Add cotton balls as a layer of fake snow and other decorations.

4 Assemble the Snow Globe

Carefully screw the lid back onto the jar, making sure the figurines are positioned correctly inside.

5 Decorate the Base with Washi Tape

Put a strip of washi tape around the Base of the snow globe for extra decoration!

6 Place your snow globe somewhere special!

Ask an adult to help with this project.
