## Sneakers

- Paint the sneaker red. Use a smaller brush for touch up
- Let them dry (about 20 minutes)
- Paint Ladybug's black spots with the circle brush. Use a smaller brush for touch up - it's easiest when the paint is still wet.
- Let dry

## Mask

Use scrap paper to make a template for the mask. Trace it onto the red felt with a marker, & cut out. Use a silver marker to draw circles and eyebrows on black felt. Cut out.

4

## Glue

Glue black dots and eyebrows to the red mask shape, trim any excess.

5

## Finish

Glue or sew ribbon to the sides of the inside of the mask. Tie to wear!
