Seal a large box with packing tape and have an adult cut off the top flaps of the box.

Create Sonnie's high-flying wings by having a grown-up cut the flaps into an elongated pentagon shape.

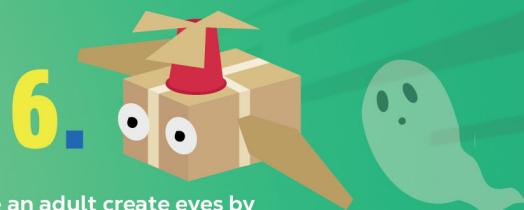

With an adult's help, make a slit on each side of the box where you will insert the wings. Tape the ends of the wings to secure in place.

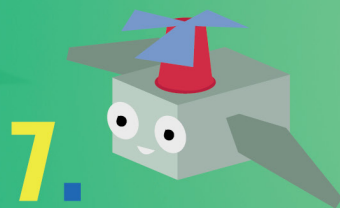

Draw a propeller shape on one of the leftover box flaps and have a grown-up cut it out.

Glue the propeller onto a small plastic cup, then attach to the top of the box

Have an adult create eyes by cutting paper plates into round or almond shapes. Glue them to the front of the box.

Using paint or markers bring your monster hero to life with a custom Mighty Monsterwheelies paint job that matches your character's body.

With excess cardboard, have an adult cut out a rectangle with a tab and slit. Have an adult create a slit in the back of your helicopter to insert the rectangle into.

Assistance needed! Have an adult cut out triangular shapes for Sonnie's ears and fangs in felt or construction paper. Attach Sonnie's teeth point downward from the top of her mouth.
