Draw a line to match each kid with their Spirit Ranger form!

Summer

As a Spirit Ranger, I have short wings so I can fly fast. With my powers, my eyesight is amazing which helps me spot trouble from far away.

Who am I?

Eddy

When I'm Spirit Ranger ready, I'm green, calm and steady. With my powers, I become a reptile with a hard shell on my back.

Who am I?

Kodi

I'm a Spirit Ranger who can roar loudly and likes to climb trees. Some of my friends have brown fur, but when I use my powers, I'm a blue color.

Who am I?

We are park protectors who can transform into animals. We're Spirit Ranger ready!
