

Count & Circle!

Count the sea creatures with JJ and Cece!
Then circle the number that shows
how many there are!

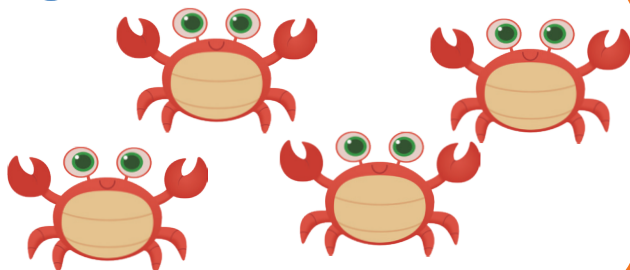

A Sea slugs

How many sea slugs?

1 2 3 4 5 6 7 8

B Crabs

How many crabs?

1 2 3 4 5 6 7 8

C Sea stars

How many sea stars?

1 2 3 4 5 6 7 8

ANSWER KEY: sea slugs – 2; crabs – 4; sea stars – 6

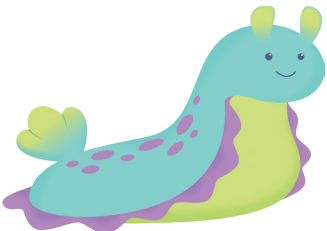

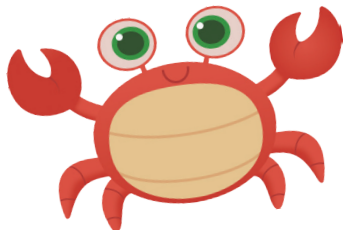

Counting is fun,
when counting
one by one!

Now write the number of sea creatures
you counted next to the picture.

Then, trace the word to spell it out!
