

DOT-TO-DOT

TIP:

Use gel pens
or paint markers to
connect the stars and
create your own
constellations!

There are three
sets of dot-to-dots.
Connect the dots by
numbers, uppercase
and lowercase letters.
Can you join the dots
in each set to reveal
Rayla in the stars?

DID YOU KNOW?

Astronomers divide the sky into 88
official constellations. Do you have a
favorite constellation?
