

# Celebrating Your Special Valley

SWAPPED

## A simple way to care for your special place

In Swapped, Ollie and Ivy learn that everything in the Valley is connected: what happens in one place can affect everything else.

Now it's your turn! Think about a special place in your life (your Valley) and how you can help take care of it.

### 1 Draw your Valley

Draw a picture of your Valley — your home, school, park, a tree, a bird feeder, a river, anything you love.

2

#### Who lives in your Valley?

Write or draw some of the creatures and plants that share this place with you:

3

#### What makes your Valley feel safe, happy, and healthy?

(For example: lots of trees and plants, clean water, filled with animals.)

4

#### What can hurt your Valley?

(For example: trash on the ground, cutting down trees.)

5

#### One small thing you can do to protect your Valley is:

You may not be able to help every Valley in the world, but caring for the one you love can make a real difference. Together, we can do amazing things — just like Ollie and Ivy!
