

A full-page background image showing two belugas swimming underwater. The water is a deep blue, and sunlight rays stream down from the surface, creating a serene and majestic atmosphere. The belugas are positioned in the upper half of the frame, swimming towards the viewer.

FROM THE STUDIO THAT BROUGHT YOU OUR PLANET  
AND THE CREATOR OF BLUE PLANET II  
NARRATED BY BARACK OBAMA

THE STORY BEGINS BENEATH THE SURFACE.

# OUR OCEANS

## ACTIVITY PACK

# DIVE INTO UNDERWATER ADVENTURES WITH THIS EDUCATIONAL ACTIVITY PACK, INSPIRED BY NETFLIX'S *OUR OCEANS* SERIES!

Designed for kids ages 6–10, this guide features hands-on activities that will take you on an exciting deep-sea journey. Discover fascinating creatures, test your skills and become an ocean expert in no time!

Watch *Our Oceans* on Netflix while you complete the pack or tackle the activities afterwards. Get ready to experience the beauty and wonder of the ocean and uncover the untold stories of the sea.

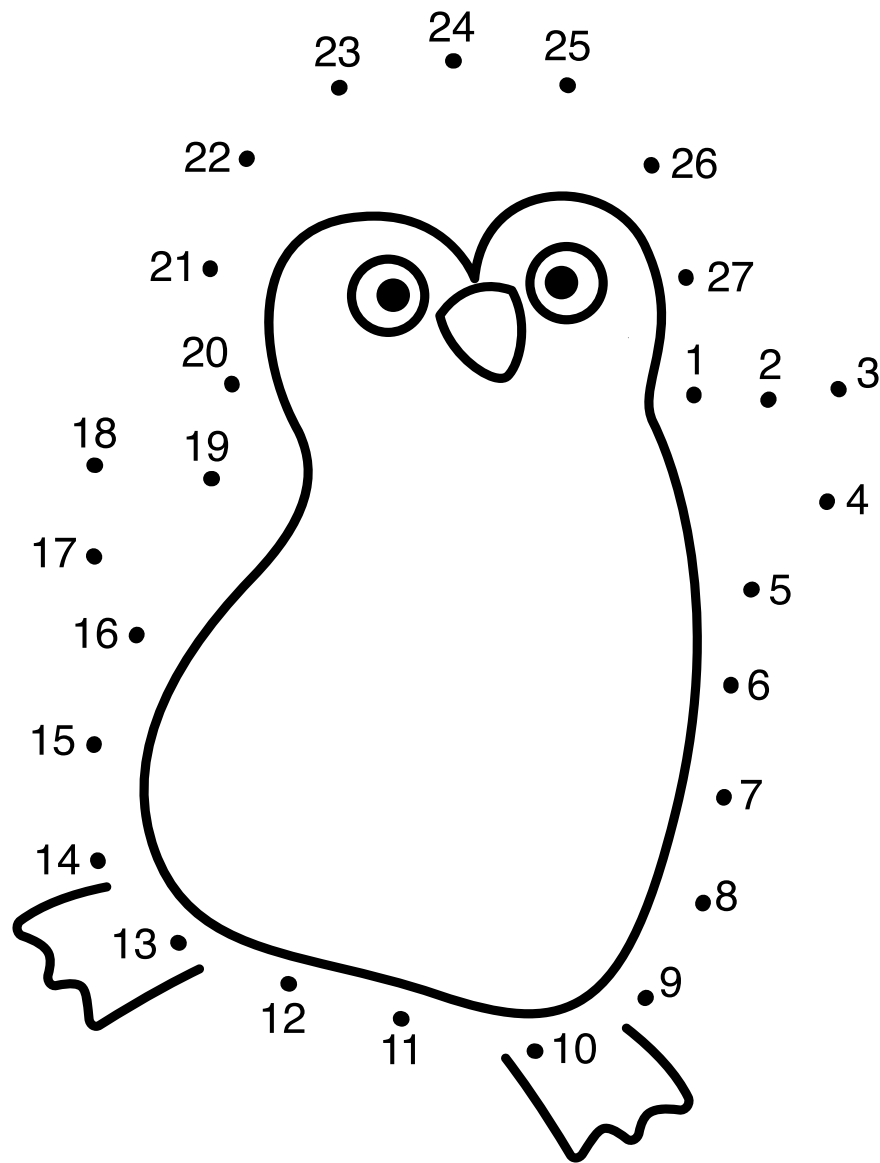

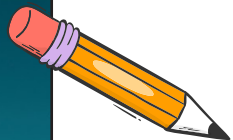

## **Series Overview:**

Oceans are the beating heart of our planet yet so much remains unknown, unexplored and undiscovered. From the warm tropical waters of the Indian Ocean to the fiery depths of the Atlantic, from the unpredictable waters of the Pacific that are surrounded by a ring of fire to the freezing isolation of the Southern and Arctic Oceans, *Our Oceans* explores the magical world of wonders that lies beneath the waves.

# DOT-TO-DOT CHILLY POINTS!

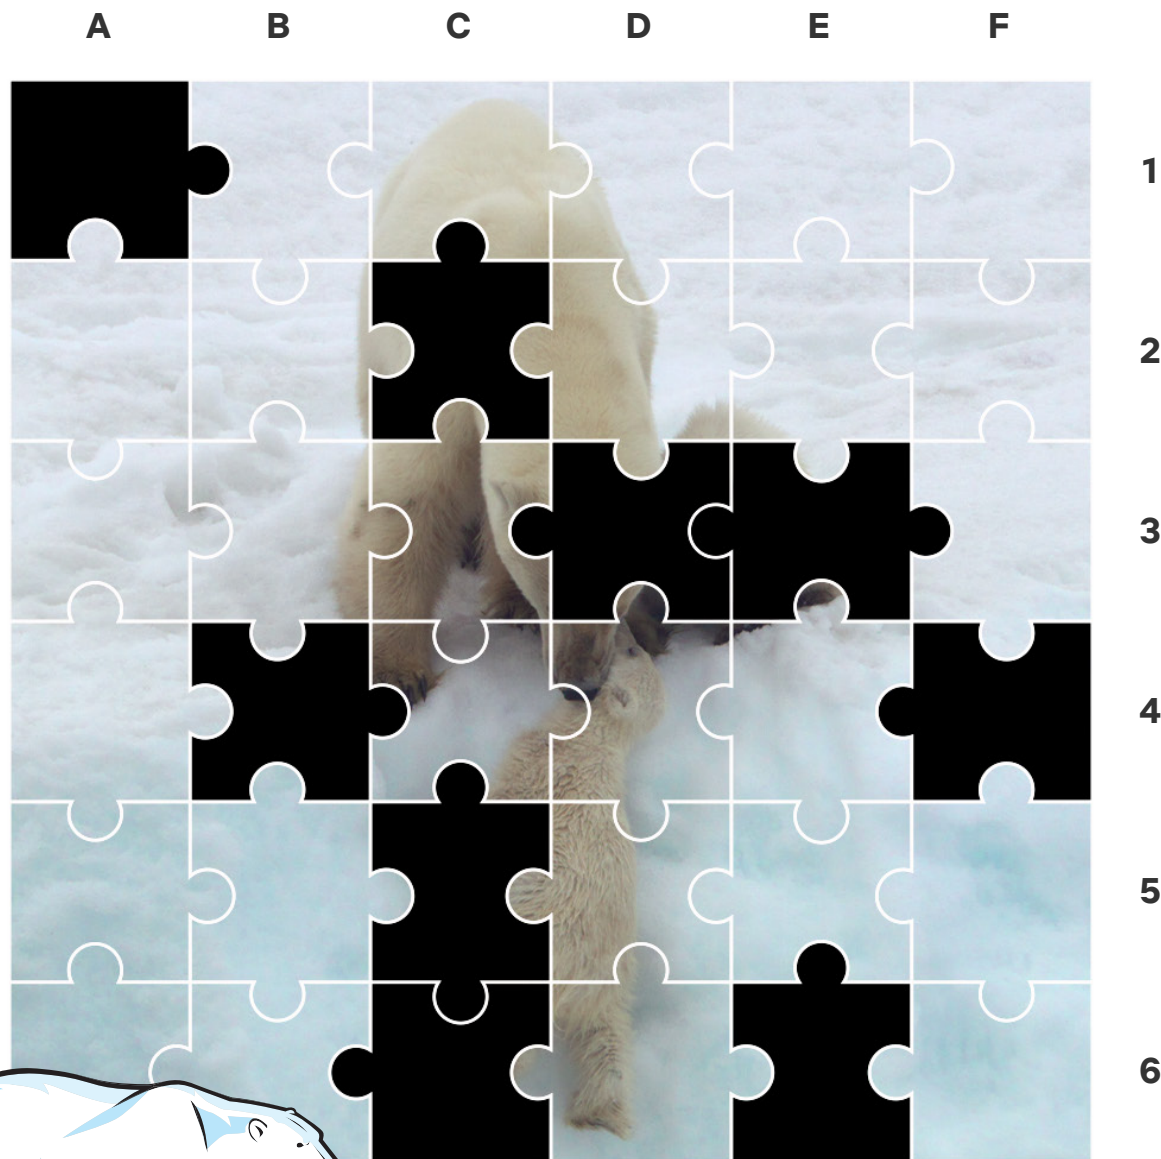

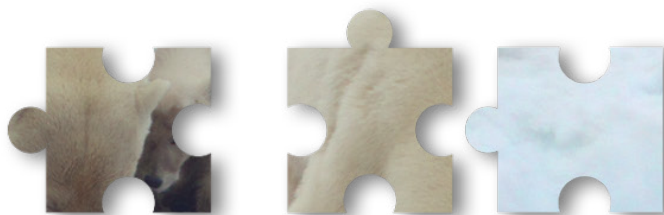

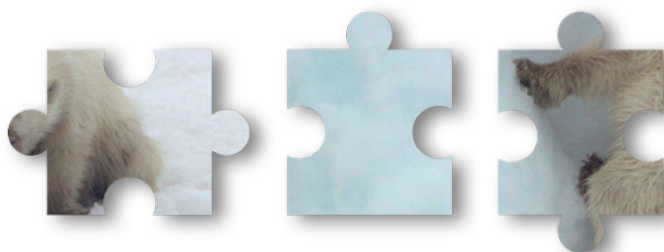

Connect the dots by following the numbers in order, starting with 1. Watch as a fun picture appears when you finish!

# PUZZLE POLAR PUZZLER!

Match the polar bear jigsaw pieces below  
to the letters and numbers in the grid.  
Take your time and have fun!

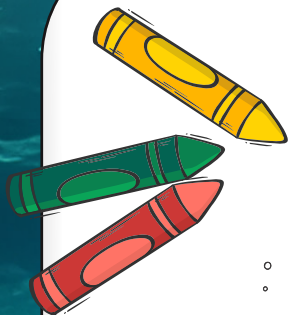

# COLORING PAGE DIVE INTO COLOR!

Use bright colors for the ocean, fish and coral. Add details like bubbles and sand, and get creative with your underwater world.

When you're done, show off your masterpiece!

# PATHFINDER DOLPHIN DASH!

Help the dolphin splash home!

Can you figure out which  
path the dolphin should take  
to swim home?

# WORDSEARCH FISHY FUN!

Find all the ocean creatures hidden in the word search! Circle each one when you find it.

Good luck exploring the underwater world!

A close-up photograph of two walrus heads resting on a piece of ice. The walrus on the left has its mouth open, showing its two large, curved tusks. The walrus on the right is looking towards the camera. The background is a soft-focus view of the ocean with white-capped waves under a hazy sky. A large, semi-transparent red 'NETFLIX' watermark is centered over the image.
