

Ladybug Sneakers And Mask

Miraculous
LADYBUG & CATNOIR
THE MOVIE

 Ask an adult help with this project.

Gather supplies

For sneakers:

- White Sneakers
- Paint - Red & black
- Paintbrush
- Circle stamp brush
- Black laces

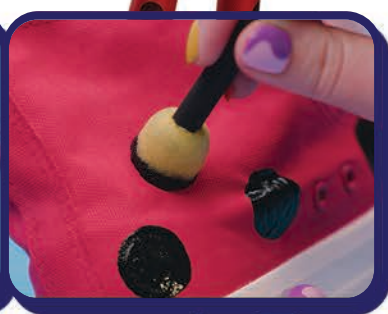

For mask:

- Scissors
- Scrap paper (for template)
- Red & black felt
- Black ribbon
- Hot glue
- Black marker
- Silver marker

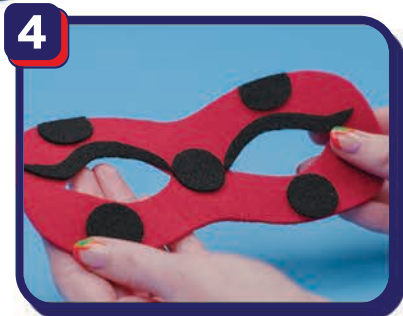

Sneakers

- Paint the sneaker red. Use a smaller brush for touch up
- Let them dry (about 20 minutes)
- Paint Ladybug's black spots with the circle brush. Use a smaller brush for touch up - it's easiest when the paint is still wet.
- Let dry

Mask

Use scrap paper to make a template for the mask. Trace it onto the red felt with a marker, & cut out. Use a silver marker to draw circles and eyebrows on black felt. Cut out.

Glue

Glue black dots and eyebrows to the red mask shape, trim any excess.

Finish

Glue or sew ribbon to the sides of the inside of the mask. Tie to wear!
