MOTION FOR IMMEDIATE UTHORIZATION TO PAY PRIORITY  
PRE-PETITION CLAIMS FOR EMPLOYEE WAGES AND BENEFITS  
AND FOR EXPEDITED HEARING

The Debtor-in-Possession (DIP) hereby moves the court for authorization to pay certain pre-petition priority claims for employee wages and benefits as follows:

1. Pre-petition wages of employees of the DIP for the week ended May 31, 2018 totaling \$7,905.
2. Pre-petition withholding obligations to the United States of America under the Federal Insurance Contribution Act (FICA) totaling \$605.
3. Pre-petition withholding obligations to United States of America based on employee wages for personal income tax (PIT) totaling \$1,423.
4. Pre-petition withholding obligations to the State of North Carolina based on employee wages under the North Carolina Unemployment Compensation Act totaling \$64.

In support of its motion the DIP would show the court that the employees to whom pre-petition wages are owed are all critical employees without whom the DIP cannot continue in business and thus cannot successfully reorganize under Chapter 11. None of said employees are insiders of the DIP.

The DIP also moves the court to expedite the hearing on this motion on the basis that the DIP will suffer immediate and irreparable harm if it is not authorized to pay these prepetition claims prior to the time that a final hearing can be conducted.
