ALLERGEN INFORMATION

All of our beers are produced in a certified food-safe brewery. As we are a fancy craft brewery we like to play around with flavours quite a lot. With great flavours come great ingredients.

We are more than happy to provide details on any ingredients used in our draft beer – just ask the team!

Each time we swap beers on a line, we do a thorough line-clean and rinse. We have tested to make sure allergens do not survive the process, but cannot 100% guarantee that some lines do not contain trace allergens from other beers.

If you have a serious allergy – we highly recommend you ask to speak to a manager here at the bar.

All canned & bottled products sold are as per their description and labelling on the package.

CRAFT BEER FOR ALL THE PEOPLE

We believe our bars should be safe & inclusive spaces for everyone. We have a zero tolerance policy for abusive behaviour & harassment of any kind. Anyone not being respectful of others or exhibiting toxic behaviour will be asked to leave immediately.
