STITCH GUIDE

Fan: (4 tr, ch 2, 4 tr) in indicated st/sp.

Slip Stitch Join (sl st join): Remove loop from hook, insert hook from front to back into joining sp, pick up loop and pull through joining sp from back to front, make a sl st, joining the 2 Motifs at 1 point.

PATTERN NOTES

The last round of Motifs is worked using a join-as-you-go method, joining as you as you work the final round of most Motifs. Large Full and Large Half Motifs are joined to previous ones at chain-2 spaces of fans as shown in the placement chart. Finally, Filler Motifs are joined as you work their final round to Large Motifs at chain-2 spaces of fans after all Large Motifs are joined. Read all instructions carefully before completing all rounds of Motifs as some are joining rounds. To change color, work to the last stitch with the old color, pull through at the last yarn over with the new color. The larger multi-colored balls are referred to as the MC and the smaller solid ball is referred to as the CC throughout.
