NORCROSS
metal tripod easel

MODEL AA13131
SET UP INSTRUCTIONS

TO SET UP,
simply unfold the legs to form a tripod base. Extend the legs for added height. Mount the canvas holders to the mast: one on each end. Position as you like and turn the handscrews to lock in place.

MAKING ADJUSTMENTS

LEG CLIPS allow a maximum upright canvas height of 54"

MAIN MAST allows a maximum canvas height of 28" in the vertical or horizontal position.
