

BLICK ESSENTIALS MATTE GLAZES

can be applied to cone 04/03 earthenware bisque and glaze fired to cone 06/05. For those wanting to fire to mid-range, Blick Essentials Matte Glazes can be applied to soft fired stoneware bisque and glaze fired to cone 5/6 with no color change but will result in a glossy finish. For those working with clay, the glazes can also be applied to wet or leatherhard clay.

PRODUCT FEATURES

- Fires to a beautiful matte finish
- Dries quickly for same-day firing
- Food Safe
- Made in the USA

LOW-FIRE

Glaze shown was fired flat to cone 06 on white earthenware body.

Blick Essentials Matte Glazes deliver a soft, muted matte finish in two foundational neutrals: Matte White and Matte Black. Offering smooth application and consistent results at a price that makes stocking your studio easy, use them to achieve the modern, muted aesthetic that's become a hallmark of contemporary studio pottery.

Pair with Blick Essentials Gloss Glazes for a full studio palette of bright colors and grounding neutrals.

Matte White 83428-1026 **Matte Black** 83428-2026

MID-RANGE

Glaze shown was fired flat to cone 6 on white stoneware body.

Applied to soft-fired stoneware bisque and glaze fired to cone 5/6, the matte finish shifts to glossy, giving you two looks from one jar. We recommend testing on your preferred clay body and firing temperature prior to use.
