

Acrylic Web Jewelry

Drip, drizzle, then dry. That's all it takes to make these trendy necklaces and bracelets that really make a statement!

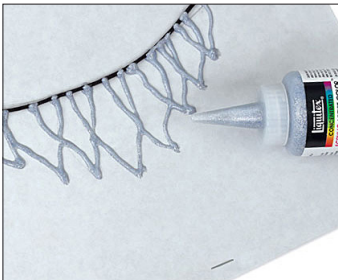

HOW TO MAKE IT

STEP 1

Staple freezer or parchment paper to cardboard.

STEP 2

Sketch design using light pencil strokes.

STEP 3

Squeeze acrylic paint over the design.

Optional:

Incorporate jewelry cord, beads, or rhinestones into the wet paint. Allow to dry.

STEP 4

Peel the jewelry away from the sheet. Attach pendants to a craft cord or chain. Bracelets and chokers self adhere, eliminating the need for a fastener.
