PATTERN NOTES
This Throw is worked flat, from end to end, using the Overlay Mosaic technique. The colorwork designs are created by working back loop only single crochet stitches in working rows and front loop long double crochet stitches in unworked front loops 2 rows below.

Colors alternate each row. Work all rows with one color and right side facing, you will not turn your work. Leave a 6" length of yarn at the beginning and end of each row in each color. These lengths will become the fringe.

Single crochet stitches are worked in back loops only (blo), except for the first 2 and last 2 stitches of each row. The stitch count will remain the same throughout.

The pattern includes both written and charted instructions. Read the chart from bottom to top, right to left. Each square represents 1 stitch.
