PATTERN NOTES

Butterfly™ features a unique stripe pattern where approximately two thirds of the cake is one solid color and the remaining third features a 5-color stripe.

This Poncho is worked from the neck down starting with the larger solid section of the cake and in joined rounds without turning. Increases occur every third round at two points to form a V-neck in the center front and center back. Join all rounds with a slip stitch. Pattern is written for 1 cake of yarn. A longer poncho can be made using 2 cakes and continuing the pattern repeat if desired. Keep the stripe sequence in mind and add the 2nd cake accordingly if choosing to increase the length.

PONCHO

Note: Sample poncho begins at the neck with the larger solid section of the cake and ends with the smaller striped section. This pattern can be made with smaller striped section beginning at neck if desired. Pm in center st of each corner made, move marker up each rnd as instructed.

Setup: Leaving a 10" tail, **fsc** 80 (96), being careful not to twist, join last sc to first sc with a sl st.

Note: Use the tail to sew the bottom of the first fsc to the bottom of the last fsc to close the gap.
