

How to Clean & Care for your Brushes with "The Masters"® BRUSH CLEANER and PRESERVER

Cleans & Conditions in 1-Step

For natural and synthetic brushes

Works on Wet & Dry Oil Paint • Acrylics • Watercolor • Goauche • Ink • Glaze • Varnish • Tempera

Rinse brush in water

**Swirl in cleaner,
Work into a lather**

**Rinse brush and repeat
as needed**

Reshape like new

Since 1979, artists have relied upon The Original B&J Specially Prepared "The Masters"® Brush Cleaner and Preserver to take special care in cleaning and conditioning artist brushes in one step. It contains no harsh thinners; is non-flammable, and is environmentally safe.

Using only water, "The Masters"® is specially formulated to remove oils, acrylics, watercolors, stains, varnishes, and helps to prevent paint build-up in the ferrule. **Keeps brushes like new!™**
