

Watercolor Paper Earrings

As easy to make as they are fun to wear, these unique earrings made from watercolor paper can be decorated in a rainbow of colors. Durable and stylish, they can be worn again and again.

HOW TO MAKE IT

STEP 1

Cut desired shapes using scissors or Paper Shapers. Optional – Cut a deckle edge across the bottom.

STEP 2

Use the screw punch to make holes near the tops of the paper shapes.

STEP 3

Use jewelry-making tweezers to dip shapes into Liquid Watercolors.

STEP 4

Blot the shapes on paper towels between colors.
