

Assembling Instruction for AFE-6053

PARTS

All includes:

- 1pc-aluminum alloy tripod
- 1pc-drawing board
- 1pc-painting palette
- 1pc-portable bag

STEP 1

① Loosen the screw at the tripod's joint

② Separate 3 legs

③ Pull the central pole to the comfort height and tighten the screw

STEP 2

① Push up the locking clips

② Remove the protective cover of the slot at the top of the pole

STEP 3

Embed the painting board into the slot

STEP 4

Push the clip back to lock-in

STEP 5

Slide the palette from upside to the proper position
